

COLLEGE EXPECTED TO SURPASS SECOND SEMESTER NEW STUDENT ENROLLMENT GOAL

Prior to registration for second semester classes, the College's admissions office reported a total of 344 freshmen, transfer and readmitted students have paid admission deposits signifying their intent to enroll at Plattsburgh State during the spring semester. The total represents 98 per cent of the College's new student enrollment goal of 350 students for second semester.

David Truax, director of admissions, reported that new student applications for second semester admission to the College were up approximately 13 per cent over last year. Truax explained that final new student enrollment figures, available at the conclusion of the course add/drop period, should indicate that the College surpassed its second semester enrollment goal.

FACULTY/STAFF 'RESOURCE DIRECTORY' TO BE COMPILED

Noting that "faculty and staff — individually and collectively — possess a great deal of expertise in a diversity of subjects of far-reaching interests," the Office of College Relations has begun distributing a questionnaire requesting information for compilation of a "resource directory." When compiled, the directory would be made available for use by area news media, business, government, etc., that can benefit from the expertise of Plattsburgh State people. Faculty and staff are being asked to list topics in their field(s) of expertise they feel they can speak about authoritatively.

The information supplied by teaching and professional staff will be published in a booklet which, for example, area media representatives could refer to when seeking to "localize" fast-breaking regional, state, national or international major news stories of general interest. The College Relations staff contends that the resource directory would be an asset to its media relations program, and a valuable device for gaining added exposure for the institution and its people.

In a cover memo to campus personnel, the College Relations staff acknowledges that "the research interests of many faculty are listed elsewhere (on campus) for purposes of research grants." However, the memo continues, the needs for implementing this program are somewhat different, and they require the information requested (on an accompanying form). "The purpose basically is to identify the vast intellectual resources of the campus to benefit the community and to enhance the image of the College."

PROPOSED TUITION HIKE CRITICIZED BY SUNY PRESIDENTS; STATE AID TO PRIVATES QUESTIONED

The recently proposed \$100 tuition hike for students attending State University of New York institutions has come under criticism by presidents of SUNY campuses, including President Burke.

Labelling the proposed tuition hike "a tax on learning for public institutions," President Burke maintained that SUNY tuition fees should be increased only after a thorough search for viable alternatives is conducted.

"Tuition costs at SUNY campuses already rank among the top five highest of all public institutions of higher education in the 50 states," Burke said. "If the tuition hike is being proposed as a means of gaining state revenue, then I have to question last year's increase of the state's Tuition Assistance Program (TAP). The increase raised the maximum TAP benefits from \$1,500 to \$1,800, thereby benefitting the state's private colleges. This brings to the surface a number of questions about whether state aid to private colleges in New York has had adverse effects on public higher education."

Burke cited a study by the Brookings Institute, entitled "Public Policy and Private Higher Education," which revealed that only in New York, of a group of states studied, had aid to private colleges come at the expense of aid to public colleges. Recently, the American Federation of Teachers unit for City University of New York (CUNY) published a report stating that "private colleges benefitted at the expense of public institutions," since state aid to privates has increased while aid to publics (SUNY and CUNY) has decreased. The report indicated that private colleges received over \$66 million in direct institutional aid from the state in 1977-78 compared to \$53 million received by private colleges in the other 49 states combined.

Tuition at both SUNY and CUNY schools is \$750 a year for freshmen and sophomores and \$900 for juniors and seniors. Tuition was last raised in 1976, when a \$100 increase was coupled with a \$100 hike in room rent at SUNY and tuition was imposed for the first time at CUNY.

SUNY's Central Office confirmed that the tuition hike is under consideration. The State University Board of Trustees has sole authority to approve the increase.

COUNCIL THANKS TRUSTEES FOR SUPPORT OF RECOMMENDED BUDGET INCREASE

At its December 15 meeting, the Plattsburgh College Council voted to send a letter of thanks to the SUNY Board of Trustees for recommending that the College receive an 8.3 per cent increase in its 1979-80 fiscal year budget. In a letter addressed to State University Chancellor Dr. Clifton R. Wharton, Mrs. Judith Duken, College Council chairperson, wrote: "The Council is pleased with the budget which the SUNY Board of Trustees has recommended for the College and especially the recognition given to some of Plattsburgh's problems, e.g. funding the actual enrollment, and closing the disparity between expenditures of the four-year colleges of arts and sciences and this unit."

In response to the Council's letter, Mr. Donald M. Blinken, chairperson of the SUNY Board of Trustees, thanked the Council for their letter and wrote: "As always it is a pleasure to observe what an active and knowledgeable role the Plattsburgh College Council plays in the affairs of the College."

In other action taken at the December 15 meeting, the Council renamed Mr. Louis Wolfe as Council representative to the Plattsburgh College Foundation Board of Directors.

COUNCIL SELECTS NEW COMMUNITY LEADERS FOR FOUNDATION

Eight area residents have been named to the College Foundation's community membership by the College Council. The new community members are Mr. Robert T. Booth, Plattsburgh; Mrs. Marjorie Bouyea, Plattsburgh; Judge Irving Goldman, Plattsburgh; Mrs. Patricia Judge, Plattsburgh; Mrs. Elizabeth Kelly, Plattsburgh; Mr. Mike Mannix, Plattsburgh; Mr. Harry Mowry, Plattsburgh; and Mr. Curtis Shipman, Peru.

The Foundation's Nominating Committee has suggested that the Foundation by-laws be amended to increase the community membership from 50 to 75 persons. The recommendation is being considered by the Executive Committee, which will decide if the amendment should be placed on the agenda for the Foundation's annual meeting to be held on Monday, January 29.

DR. ABU-GHAZALEH TO ATTEND CONFERENCE FOR ARAB RESEARCHERS

Dr. Adnan Abu-Ghazaleh, professor of history, has accepted an invitation to attend a Conference for Arab Researchers at the University of Qar Yunis, Benghazi, Libya, March 15-22. The conference, sponsored by the Federation of Arab Historians in cooperation with the Republic of Libya, will assess the general conditions in the contemporary Arab World and consider drawing guidelines for a multi-volume history of the Arab nation.

In addition, Abu-Ghazaleh has recently contributed several articles to a board of Arab editors and the Cultural Division of the League of Arab States for the publication of a Palestine Book of Knowledge. The book will cover topics pertinent to Palestine biographies, education, society and economy.

CONTINUING EDUCATION DIRECTOR RESIGNS

Dr. Melvin W. Donaho has resigned as director of continuing education and returned to full-time teaching as a professor of communications, effective January 15.

In accepting Dr. Donaho's resignation, President Burke thanked him for his "... untiring efforts to improve our summer session and our offerings for part-time students. I know that few people on this or any other campus have worked more diligently to make the General and Continuing Education program a success or have exhibited a greater commitment to expanding programs for part-time students and adults."

The responsibility for the operation of the continuing education program will be handled temporarily by Dr. Nicholas Troisi, Dean of the Faculty of Professional and General Studies.

FACULTY WIVES, 'PLATTSBURGH PRIDE,' SPONSORING SNOW-BALL SEMI-FORMAL

Plattsburgh Faculty Wives and the Plattsburgh "Pride" Committee will sponsor a Snow-Ball Semi-Formal Dance in the College Center Ballroom, Sunday, February 4, beginning at 9 p.m. The dance is the culmination of Frosty Frolics '79, a week of community-wide winter activities in and around Plattsburgh. Tickets for the dance are \$5.50 per person and includes hors d'oeuvres. Advance tickets are on sale until Wednesday, January 24, at Jan's Shoes, National Savings Bank, Cahill's at Pyramid Mall, the Plaza Bookhouse and Keeseville National Bank.

ANTHROPOLOGY, SPECIAL EDUCATION FACULTY OFFICES RELOCATED

Faculty and students are alerted to the relocation of the anthropology and special education faculty offices. The anthropology department, located previously in the basement floor of Hawkins Hall, has been moved across the street to the first-floor, north side of Faculty Office Building II (formerly the Feinberg Library). Members of the special education faculty have been moved from the Educational Research and Development Center (ERDC) to occupy the offices vacated by the anthropology faculty in Hawkins Hall. Derek Allan, the College's facilities program director, explained that the anthropology department has been moved as part of the program to occupy FOB II during its conversion into faculty office space. Presently, the College's sociology and computer science departments are housed in FOB II and plans are being developed to move the business and economics and political science offices into the building.

THIS WEEK'S CAMPUS SCENE

FRIDAY, JANUARY 19

1-4 pm — Representatives from McGill University Graduate School will be in the College Placement Office to talk to interested students.

6 pm — Women's Basketball vs. Dominican College. Field House.

SATURDAY, JANUARY 20

7:30 pm — Hockey vs. University of Buffalo. General public \$2.00, non-PSUC student \$1.00, PSUC students 50¢. Ice Arena.

SUNDAY, JANUARY 21

2-5 pm — Art Exhibition Reception — Recent Paintings of Tom Holland. Myers Fine Arts Gallery.

5:30 pm — R.A. Selection and Training Session of R.A. Candidates. College Center, Ballroom B.

7 pm — S.A. Films — "2001 — A Space Odyssey." S.A. members 50¢. Hawkins Hall Large Auditorium.

MONDAY, JANUARY 22

4 pm — End Add/Drop Period.

TUESDAY, JANUARY 23

Noon and 5:30 pm — The Avant Garde Film Series presents "Daumier," "Turn of the Century," "Freud: The Hidden Nature of Man" and "A Doll's House." Open to all. College Center Music Lounge.

4 pm — Men's Swim Team vs. Norwich University. Free of charge. Memorial Gym Pool.

WEDNESDAY, JANUARY 24

Noon and 5:30 pm — The Avant Garde Film Series presents "Daumier," "Turn of the Century," "Freud: The Hidden Nature of Man" and "A Doll's House." Open to all. College Center Music Lounge. NOTE: The 5:30 showing will take place in the Conference Room.

6 pm — Theta Alpha Lambda Rush Wine and Cheese Party. Open to all women students. College Center Music Lounge.

6 pm — Women's Basketball vs. Potsdam. Memorial Gym.

8 pm — Men's Basketball vs. Potsdam. General public \$1.50, non-PSUC students \$1.00; PSUC students 50¢. Memorial Gym.

THURSDAY, JANUARY 25

7 pm — Environmental Action Committee presents Franklin Gage speaking on "Nuclear Pollution and Alternative Energy." Open to all. College Center Cardinal Lounge.

NOTES

Montreal Theatre — Sunday, January 28. Tickets are on sale at the College Center Desk for \$2.50 for the 2:00 pm Matinee Performance of "Balconville" at Centaur Theatre.

Ice Follies — A limited number of tickets are on sale at the College Center Desk for the Ice Follies at Montreal Forum for Saturday, February 3 at 5:30 pm. Show tickets are \$4.00. Montreal Bus Tickets for \$4.00 are also available for people who need transportation. The February 3 Montreal Bus will leave Plattsburgh at 1:00 pm and will leave Montreal at 9:00 pm.

Art Exhibition — Recent Paintings of Thomas Holland. Open January 16 to February 4th. Myers Gallery.

Artist's Reception — Sunday, January 21 — 2 pm to 5 pm. All from College Community welcome. Myers Gallery.

S.A. Bookswap — Until February 2, College Center. Second floor across from S.A. Office.

SENATOR MOYNIHAN SCHEDULED AS COLLEGE'S SPRING COMMENCEMENT SPEAKER

U.S. Senator Daniel Patrick Moynihan (D-NY) has accepted President Burke's invitation to speak at the College's 89th spring commencement exercises on Sunday, May 20. Moynihan, former U.S. Ambassador to India and the United Nations, was elected to the U.S. Senate in 1976. He is an expert in the areas of domestic and social issues and has worked in the sub-cabinets of Presidents Kennedy, Johnson and Nixon.

In a letter by President Burke inviting the Senator as commencement speaker, Burke wrote: "With your background in higher education and your experience at both the legislative and executive branches of the federal government, our College would be most delighted to have you as our commencement speaker. Plattsburgh State expects to award degrees to approximately 900 undergraduate and graduate students this spring. Approximately 96 per cent of our student body comes from New York State and represents nearly every one of its regions."

SENATE DISCUSSES ONE SEGMENT OF GENERAL EDUCATION PROPOSAL

At Tuesday's meeting of the Faculty Senate, chairpersons of the Undergraduate Studies Committee and the Research and Planning Committee discussed the nine-hour segment of the General Education Proposal dealing with learning skills and implementation. No other parts of the new proposal were discussed. Dr. John Myers, chairperson of the Faculty Senate, announced that other segments of the proposal will be reviewed at next Tuesday's Senate meeting. Myers explained that if the General Education Proposal were passed with the next several weeks, the program could go into effect this fall.

88% OF COLLEGE'S NURSING GRADUATES PASS ENTRY LEVEL EXAMS

Eighty-eight per cent of the College's 1978 nursing graduates passed the National State Board Test Pool Examination administered in New York State last July. The graduates' examination results were two points better than the national average (86%) among graduates who attempted the test for the first time last year. The College's successful figure also bettered the state average for 1978. An average of 78 per cent of the nursing graduates who took the New York State test for the first time last year passed the examination. The National State Board Test Pool Examination is recognized as an entry level test for all professional nursing graduates.

SA PRESIDENT MEETS WITH CHANCELLOR WHARTON ON PROPOSED TUITION HIKE

Ms. Sarah Connair, president of the Student Association, met with State University Chancellor Dr. Clifton R. Wharton and five other SUNY SA presidents earlier this week to voice her disapproval over the proposed \$100 tuition hike.

At press time, Connair was scheduled to make a report on her visit with Wharton at the first meeting of the newly-elected SA Senate. Members of the Student Association of the State University of New York, Inc., (SASU) have begun a massive letter-writing and telephone campaign to the office of Governor Carey attempting to change the Governor's mind on the tuition hike.

ADMISSIONS EXPANDS RECRUITING EFFORTS INTO TWO-YEAR COLLEGE MARKETS

The College's second semester recruitment effort will concentrate more in the area of two-year college transfer students than ever before. Under the coordination of Michael Kerman, admissions transfer counselor, the College in late February will begin to expand its prospective student market among two-year colleges. The admissions office is presently contacting College faculty and staff to volunteer to accompany recruiters to the two-year campuses. "Faculty and staff will be encouraged to work with their counterparts at two-year colleges in an effort to interview prospective students," said David Truax, director of admissions. Truax explained that improved articulation with two-year colleges could work in providing guaranteed admissions programs and better evaluation of credit toward degree requirements.

Last semester admissions officers reported visits to 233 high schools for interviews with prospective students during a 10-week period. According to a 1978-79 admissions fall travel report, College recruiters contacted more than 2,500 prospective students during high school visits and nearly 2,400 students while attending college fairs. College recruiters commented in the report that from the reaction of high school students, teachers, counselors and parents, (1) the College has a good overall academic and social reputation; (2) high school students are interested increasingly in computer, environmental science and medical technology programs; (3) high school counselors are beginning to perceive the College as "different" (better) than sister SUNY institutions and (4) several high school counselors mentioned noticing a "geometric progression" of students interested in the College (i.e. one year two students from a particular high school may enroll at the College, the next year four, etc.).

FOUNDATION'S ANNUAL MEETING SCHEDULED FOR JANUARY 29

The annual meeting of the Plattsburgh College Foundation will be held on Monday, January 29 at the Valcour Conference Center. Scheduled business includes the election of a board of directors and officers for 1979, an amendment to the by-laws and a report on progress that the Foundation has made during the past year in terms of investments, student aid and fund-raising activities.

President Burke has nominated Dr. Herman Doh, professor of English, and Ms. Sarah Connair, president of the Student Association, to represent the faculty and students respectively on the board of directors. Selected by the President to serve on the Foundation membership from the faculty are Student Affairs Vice President Eldridge Roark, Business Affairs Vice President Bernard J. Seawell, and Drs. Richard Beach and Ralph Grover. From the student body Dr. Burke has selected Kevin Stewart, SA executive vice president.

DR. JOHN HUNT RECEIVES RETRAINING GRANT

Dr. John H. Hunt, professor of education, has been awarded a Faculty Retraining Grant by State University. The grant, provided by the Fund for the Improvement of Post Secondary Education (FIPSE) of the Department of Health, Education and Welfare, is to be used to support post-doctoral study leading to a degree in special education at the University of Vermont Graduate College.

The special education program at UVM is recognized nationally as "one of the first and most effective in its commitment to assist Vermont school districts in implementing successful special education programs." Along with the grant, Hunt will use a stipend and a tuition scholarship from UVM to begin formal study during the summer and fall sessions of 1979 anticipating program completion in 1980. Hunt has been a member of the College's education faculty since 1954. He received his Ph.D. degree from Columbia University.

SUNY TRUSTEES REQUEST INPUT ON INVESTMENT POLICIES

The State University Board of Trustees is requesting input from University employees to determine the role social objectives should play in University investment decisions. In a memorandum to SUNY constituencies, John Roosevelt, chairman of the Trustees Committee on Budget, Investment and Capital Facilities, wrote that a review of SUNY investment procedures is justified since much interest has been expressed nationally over the impact of institutional investments on social objectives. Roosevelt used the attention directed to the investment of companies doing business in South Africa as an example. The Trustees have requested that SUNY faculty and staff, who have informed views on this matter, recommend which social policy objectives should be considered in shaping University investment policies, and how best to identify and evaluate those objectives consistent with the Board's duty for prudent investment management. SUNY presently has an endowment fund portfolio of investments valued at \$56 million. Recommendations should be sent to Ms. Martha Downey, Secretary of the University, State University Plaza, Albany, NY., 12246, prior to February 15.

CARDINALS TOPS IN THE NATION; FACE ELMIRA IN KEY TEST FRIDAY

The Plattsburgh State Cardinal hockey team (13-2), rated number one in the nation in the recent NCAA Division II Hockey Poll, will hope to avenge an earlier season 10-3 defeat against Elmira College when the two ECAC contenders face-off this Friday (January 26) at 7:30 p.m. at the Field House. The Elmira contest will open a busy weekend schedule of hockey for the Cardinals. Coach Lou Frigon's team faces Brockport State the following day (January 27) at the Field House. Face-off for that game is 7:30 p.m.

The men's basketball team, 6-4 as of press time, went against SUNY champion Potsdam State on Wednesday. The Cardinals take to the road the remainder of the week to face the Oneonta and Geneseo State teams. They return home on Tuesday (January 30) against Clarkson College. Tip-off is 8 p.m.

The Cardinal women's basketball team (2-6) met Potsdam State on Wednesday (January 24). The team's next home game will be against North Country Community College on Tuesday. Both contests are 6 p.m. preliminaries to the men's varsity contests at Memorial Gym.

Indoor track this weekend features Plattsburgh against R.P.I. and Cortland State at the Field House on Saturday (January 27) beginning at 1 p.m. The women's swimming/diving team entertains St. Michael's College on Saturday (January 27) at 1 p.m. at Memorial Hall Pool.

FRENCH MOVIE OPENS SECOND HALF OF INTERNATIONAL FILM SERIES

"That Obscure Object of Desire," Spanish filmmaker Luis Bunuel's version of "Don Giovanni," will open this semester's International Film Series at 7 p.m. this Friday (January 26) in Hawkins Hall Large Auditorium. The French movie, with English subtitles, is an upside-down romance in which love, Bunuel seems to be saying, is "a devastating act of subversion." Other international films scheduled by the Department of Foreign Language and Literature for this semester include "Heart of Glass" (February 16), "Shadows of Our Forgotten Ancestors" (March 30), and "Sambizanga" (April 27). All showings are open to the campus community and general public.

THIS WEEK'S CAMPUS SCENE

WEDNESDAY, JANUARY 24

6 pm — Theta Alpha Lambda Rush Wine and Cheese Party. Open to all women students. College Center Music Lounge.

6 pm — Women's Basketball vs. Potsdam. Memorial Gym.

8 pm — Men's Basketball vs. Potsdam. General Public \$1.50, non-PSUC students \$1.00, PSUC students 50¢. Memorial Gym.

THURSDAY, JANUARY 25

4 pm — Admissions Workshop for Peer Recruiters. College Center, Cardinal Lounge.

4:15 pm — History Club Meeting. CVH Commons.

7 pm — Auditions for membership in the Dance Club for second semester. Dance Studio, Memorial Hall.

7 pm — Environmental Action Committee presents Franklin Gage speaking on "Nuclear Pollution and Alternative Energy." Open to all. College Center, Cardinal Lounge.

FRIDAY, JANUARY 26

7 pm — Interservice Christian Fellowship group meeting. Open to all. Clinton Lounge.

7 pm — International Film Festival presents Luis Bunuel's "That Obscure Object of Desire" an upside-down romance in which love appears to be a devastating act of subversion. Open to all. Hawkins Hall Large Auditorium.

7:30 pm — Hockey vs. Elmira College. Public \$2.00, non-PSUC students \$1.00; PSUC students 50¢. Ice Arena, Field House.

SATURDAY, JANUARY 27

1 pm — Women's Swim Team vs. St. Michaels College. Open to all. Memorial Pool.

1 pm — Theta Alpha Lambda Sorority Rush. Open to all PSUC women. The Pub.

1 pm — Indoor Track vs. RPI and Cortland. Field House.

7:30 pm — Hockey vs. Brockport State. Public \$2.00, non-PSUC students \$1.00, PSUC students 50¢. Ice Arena.

SUNDAY, JANUARY 28

7-10 pm — Auditions for College Coffeehouse. Anyone with musical talent of any sort is welcome. Also anyone who just wants to listen is welcome. College Center Music Lounge.

7 & 9:30 pm — SA Films presents "The Choirboys." 50¢ for SA members only. Hawkins Hall Large Auditorium.

8 pm — Campus Arts Council presents a guitar duo with Irene Konsta and Yorkos Kertsopoulos. Open to all. No charge. Hartman Theatre.

TUESDAY, JANUARY 30

3:30 pm — Career Planning and Placement will hold a Senior Information Meeting for all Education and Home Economics majors. College Center Music Lounge.

4:10 pm — Faculty Senate Meeting. Macdonough 155.

7 pm — Anthropology Film Festival: "Sociobiology: Doing What Comes Naturally" and "The Tribe and the Professor." Members of the Anthropology Club will be present at each showing for informal discussions at the end of the presentation. Open to all. CL 206.

8 pm — Men's Basketball vs. Clarkson College. Public \$1.50, non-PSUC students \$1.00, PSUC students 50¢. Memorial Gym.

NOTES

Montreal Theatre — Sunday, January 28. Tickets are on sale at the College Center Desk for \$2.50 for the 2 pm matinee performance of "Balconville" at Centaur Theatre.

Ice Follies — A limited number of tickets are on sale at the College Center Desk for the Ice Follies at Montreal Forum for Saturday, February 3 at 5:30 p.m. Show tickets are \$4.00. Montreal Bus tickets for \$4.00 are also available for people who need transportation. The February 3 Montreal Bus will leave Plattsburgh at 1 pm and will leave Montreal at 9 pm.

SA Book Swap — until February 2. College Center, 2nd floor across from SA Office.

Interested in working on the Special Olympics? The Special Olympics Committee needs volunteers. For information please contact Erika Frank 561-8050.

The Special Services Project (SSP) and the **Educational Opportunity Program (EOP)** offices are now located in Room 118 of the Student Center. The phone numbers are 2810 and 2811.

Pre-retirement Workshop beginning Tuesday, January 30. Five two-hour sessions from 3 pm to 5 pm on Tuesdays. Sponsored by Continuing Education and A.A.R.P. Contact Mr. Dick Gifford, at Continuing Education Office (564-2050).

GOVERNOR'S BUDGET PROPOSES 10 ADDITIONAL FACULTY AND 5 SUPPORT POSITIONS FOR PSUC

Governor Carey's proposed operating budget for the College includes an increase of \$641,700 and adds ten faculty and five support positions to the staff.

Of the total increase, \$251,600 is for program improvement, which includes the additional positions. The budget, for the first time in recent years, recognizes the actual enrollment which is projected at 5,480 full-time equivalent students for the 1979-80 academic year. The budget does not fully support estimated fixed cost increases and fails to provide State University System and this campus with additional monies for equipment replacement.

President Burke, who received an analysis of the College budget at a briefing for SUNY Presidents in Albany on Monday (January 29), is currently analyzing the document with his staff and will present more details at a later date. The budget must now go before the State Legislature for review and approval.

FOUNDATION RECORDS ANOTHER BANNER YEAR; INCOME TOTALS \$158,665

The Plattsburgh College Foundation held its annual meeting on Monday night and President E. Glenn Giltz announced that \$158,665 had been raised in 1978 — \$37,640.10 more than the 1977 all-time high of \$121,024.90. Of the total, \$84,305 was raised through annual giving and the remainder through donations to various endowment funds, including a \$62,209 bequest from the estate of the late Lillian T. Smith of Plattsburgh, created in memory of her husband, Thomas H. Smith.

Giltz, president of Northern Insuring Agency, Inc., was re-elected president of the Foundation at Monday's meeting. Re-elected as vice presidents were Plattsburgh Attorney James E. Keable, vice president for deferred giving; Daniel L. Jerry, president of Vincent S. Jerry and Sons, Inc., vice president for development; and Gilbert A. Duken, principal of Broad Street School, vice president for special gift clubs. Bernard J. Seawell, vice president for finance and management was re-elected treasurer and Mrs. Olive M. Flynt, assistant to the president, was re-elected secretary.

**College Foundation Income
1970-1978**

1970 —	\$ 11,233.17
1971 —	21,777.80
1972 —	45,736.00
1973 —	46,829.48
1974 —	62,406.19
1975 —	71,588.50
1976 —	80,937.11
1977 —	121,024.90
1978 —	158,665.00
Total:	\$620,198.15

Newcomers to the 14-person Foundation board of directors are Mrs. Marjorie S. Bouyea of Plattsburgh and Ms. Sarah Connair, president of the Student Association. Other board members re-elected were: Dr. Herman Doh, professor of English; Franklin R. Forbes, retired president of Ayerst Laboratories, Rouses Point; Mrs. Margaret Q. Kennedy of Plattsburgh; John F. Longware, principal of Northside Elementary School; Albert Luck, president of Luck Brothers, Inc.; Martin D. Mannix, manager, life divisions, Northern Insuring Agency, Inc., of Plattsburgh; State Senator Ronald B. Stafford and Plattsburgh Attorney Louis E. Wolfe, who is also a member of the College Council.

1979-80 ACADEMIC CALENDAR INCLUDES OLYMPIC PERIOD, EXTENDED THANKSGIVING BREAKS

The Office of the Vice President for Student Affairs has announced the official 1979-80 revised Academic Calendar which includes the faculty and student body's approval of a two-week Olympic Break during the 1980 spring semester. Also featured in the calendar is a nine-day break for Thanksgiving vacation. Dr. Eldridge Roark, vice president for student affairs, explained that the Academic Calendar Committee voted to include the additional days for Thanksgiving since the calendar allowed for additional time off in the fall semester.

The following are important dates included in the revised 1979-80 Academic Calendar: Wednesday, September 5, Classes Begin; Friday, November 16 to Monday, November 26, No Classes, Thanksgiving Break; Friday, December 21, End of First Semester; Tuesday, January 8, Second Semester Begins; Friday, February 8 to Monday, February 25, No Classes, Olympic Break; Thursday, April 3 to Monday, April 14, No Classes, Spring Break; Friday, May 16, End of Second Semester; and Sunday, May 18, Spring Commencement.

SENATE REVIEWS INTEGRATIVE REQUIREMENT OF GENERAL EDUCATION PROPOSAL

Discussion of the nine-hour integrative requirement, the third and final component of a 37-credit hour General Education proposal now before the Faculty Senate, was the central topic at Tuesday's Faculty Senate meeting. According to the proposal now before the Senate, the nine-hour integrative component is the only part of the General Education proposal devoted to a block of multidisciplinary, interdisciplinary or transdisciplinary study undertaken by entering Plattsburgh State students. Last Tuesday (January 22) the Senate had discussed the first segment of the proposal dealing with advanced learning skills. The Senate will continue review of the proposal next Tuesday. If the proposal is approved by the Faculty, the General Education requirement will apply to all entering freshmen in the fall of 1979, all entering sophomores in the fall of 1980, and all entering students in the fall of 1981.

DR. DEVITA RECEIVES \$7,500 CANADIAN EMBASSY FACULTY ENRICHMENT GRANT

Dr. Philip DeVita, associate professor of anthropology, has received a \$7,500 faculty enrichment program grant from the Canadian Embassy in Washington D.C. to continue his study in social anthropology and history in the Canadian Maritime Provinces. The grant will enable DeVita to study at four major Canadian universities located in the provinces of Newfoundland, New Brunswick, and Nova Scotia. DeVita explained that his participation in the faculty enrichment program will be used in preparation for teaching courses in the College's Canadian Studies Curriculum.

FIRST SEMESTER GPA'S OF RESIDENT ASSISTANTS AVERAGE 2.98

The Office of Residence Life reported that the College's 92 resident assistants located in 12 campus residence halls achieved a cumulative grade point average (gpa) of 2.98 for the first semester. Sixty-three per cent (58) of the resident assistant staff earned gpa's of 3.0 or better including four with a perfect 4.0 average. Resident assistants in Kent Hall recorded the highest cumulative gpa average of 3.15. Ms. Carole Allen, assistant director of residence life, explained that last semester's gpa's among resident assistants reflects the quality of this year's RA staff. "The minimum cumulative gpa for a student requesting an RA position is 2.3," Allen said. "Last semester's academic achievements indicates the competency of our RA staff. These upperclassmen are our office's direct liason with students living on campus."

DR. DELONG SUPERVISING STATE ASSEMBLY'S INTERNSHIP PROGRAM

Dr. Dennis DeLong, assistant professor of political science, is presently serving as visiting professor and supervisor of the educational aspect of the New York State Assembly Intern Program. Students from more than 30 different New York State Colleges, including seven Plattsburgh State undergraduates, are participating in this year's Assembly Intern Program. Interns are assigned to either a New York State assemblyman or staff office for the entire spring legislative session. Intensive training and orientation to state government and a series of seminars are offered in the program. Prior to his temporary appointment, DeLong served as campus liason to the Assembly and Senate Intern Programs. The College is one of the five SUNY Arts and Science units which has participated in the programs since its inception in 1975.

CONTEMPORARY FILMS ON CHINA TO BE PRESENTED

Dr. Eugene Link, professor emeritus, and his wife, Beulah, who both recently conducted a study tour to China, and history professor and Chinese historian Dr. George Pasti, will lead a discussion after individual showings of two new films about China, at a Chinese Film Festival on February 8. The movies will be shown in Room 208 of Yokum Hall, at 4 and 7:30 p.m.

The 4 p.m. film, entitled "The Forbidden City," and produced by NBC, describes the role of art and people in Modern China. "Red Blossom of the Tien Shan Mountains," the 7:30 p.m. movie, is a scenic documentary on life in northwest China. The film festival is sponsored by the History Department's International Relation's Club, and the U.S.-China People's Friendship Association.

SKATERS, CAGERS ATOP SUNYAC; MEN'S SWIMMERS MEET RPI

Plattsburgh State's hockey and basketball teams continued to roll through their January schedule and take claim to first place in the State University of New York Athletic Conference (SUNYAC).

The Cardinal hockey team earned an important win over Elmira College, 7-4, last Friday night. Wins over Brockport State, 8-2, on Saturday and North Adams State, 5-2 on Monday, kept their number 1 NCAA Division II ranking. The Cardinals continue on the road this weekend in contests against Cortland State and Hamilton College. They travel to Potsdam State next Tuesday (February 6).

Coach Norm Law's cagers captured important SUNYAC victories on the road last weekend against previously unbeaten Oneonta, 53-43, and Cortland State, 110-108. The Cortland victory lasted two overtimes with junior forward Kevin Baldwin collecting 39 points including the winning basket. The Cardinals (8-4) played Clarkson College on Tuesday night (January 30). They are at home this weekend against Concordia University on Friday night and Cortland State on Saturday. Both games begin at 8 p.m. Also on tap for this week is a crucial test against Division II power New York Tech at Memorial Gym at 8 p.m. on Monday (February 5).

The men's swim team will be at home this Friday (February 2) against RPI at 4 p.m. The women's basketball team (2-7) are on the road against St. Michael's College on Saturday (February 3).

THIS WEEK'S CAMPUS SCENE

THURSDAY, FEBRUARY 1

Recruitment by representative from the State Bank of Albany. Sign-up in the Placement Office.

FRIDAY, FEBRUARY 2

4 pm — Men's Swimming vs. RPI free of charge. Memorial Gym Pool.

8 pm — Men's Basketball vs. Concordia College. Public \$1.50, non-PSUC students \$1.00, PSUC students 50¢. Memorial Gym.

8 pm — Debbie Guibord Dance School presents a modern dance concert. Special guest dancers will perform, compliments of "The Professional School of Dance" in Montreal. Tickets for concert on sale at PSUC Box Office of Fine Arts Building, Magrams and Cornerstone Bookstore. General Admission adults \$3.50 and \$2.50, children 75¢, college students \$1.50. Hartman Theatre.

SATURDAY, FEBRUARY 3

Noon-4 pm — Psi Epsilon Chi Fraternity Blood Drive. The opportunity to give is open to all. Clinton Dining Hall Upstairs.

1 pm — Montreal Bus leaves from PE Building. Departs from Montreal at 9 pm.

7:30 pm — Clinton County Educators Music Festival. Open to the public. Hawkins Hall Large Auditorium.

8 pm — Men's Basketball vs. Cortland State. Public \$1.50, non-PSUC students \$1.00, PSUC students 50¢. Memorial Gym.

8 pm — Debbie Guibord Dance School presents a modern dance concert. (See Friday, February 2 at 8 pm for details.)

SUNDAY, FEBRUARY 4

7-10 pm — Auditions for the College Coffeehouse. Any musical talent welcome or just come to listen. College Center Music Lounge.

7-9:30 pm — SA Film — "Annie Hall." SA members 50¢. Hawkins Hall Large Auditorium.

MONDAY, FEBRUARY 5

7 pm — Study Skills Program *Module I — Time Scheduling*. Open to all students. Individual help available on request. Call 2073 for information. Macdonough Hall Conference Room.

8 pm — Men's Basketball vs. New York Tech. Public \$1.50, non-PSUC students \$1.00, PSUC student 50¢.

TUESDAY, FEBRUARY 6

10 am-4 pm — Recruitment by New York State Police. Anyone interested in speaking with the representative should stop by the table in the College Center Lobby.

Noon & 5:30 pm — Avant Garde Film Series: "Impressionists," "Post-Impressionism" and "The Three Sisters." Open to all. College Center Music Lounge.

3:30 pm — Career Planning and Placement will hold a Senior Information meeting for all Liberal Arts and Nursing Majors. College Center Cardinal Lounge.

7 pm — Study Skills Program *Module I — Time Scheduling*. Open to all students. Individual help available on request. Kent Hall Study Lounge.

7 pm — Anthropology Club Film Series: *Ballad of Crowfoot and Cave People of the Philippines*. Open to all. CL 206.

7:30 pm — Special Olympics Committee meeting. Anyone who is still interested in helping out please join us. College Center Ballroom B.

WEDNESDAY, FEBRUARY 7

Noon & 5:30 pm — Avant Garde Film Series. (See Tuesday, February 6 for details.)

12 noon — The Brown Bag Theatre. Enjoy your lunch along with a theatre experience. Myers Studio Theatre.

7 pm — Study Skills Program *Module I — Time Scheduling*. Open to all students. Individual help available on request. Whiteface Hall Reception Lounge.

7 pm — Career Planning and Placement will hold a Senior Information Meeting for all majors. College Center Cardinal Lounge.

9 pm — Theta Kappa Beta open meetings. Clinton Dining Hall and College Center Cardinal Lounge.

THURSDAY, FEBRUARY 8

3:30 pm — Career Planning and Placement will hold a Senior Information Meeting for all Education and Home Economics Majors. College Center Music Lounge.

Contemporary Visual Artists' Series featuring figurative artist Philip Pearlstein. A retrospective exhibition of 95 drawings, showing from Feb. 8-March 9. Opening is from 5-7:45 pm in both Myers Fine Arts Gallery and the Rockwell Kent Gallery. The artist will give a slide lecture at 8 pm in the College Center Ballroom and a reception will take place following in the Myers Fine Arts Gallery. Open to the public.

7 pm — Study Skills Program *Module I — Time Scheduling*. Open to all students. Individual help available on request. Hood Hall Main Lounge.

NOTES

The next **Montreal Bus** for which tickets are available is Saturday, Feb. 3. Tickets are \$4.00, on sale at the College Center Desk. The bus leaves from the PE Building at 1 pm and departs from Montreal at 9 pm.

SA Book Swap until February 2. College Center 2nd floor across from SA Office.

Interested in working on the **Special Olympics**? The Special Olympics Committee needs volunteers. For information please contact Erika Frank 561-8050.

The **Special Services Project (SSP)** and the **Educational Opportunity Program (EOP)** offices are now located in Room 118 of the Student Center. The phone numbers are 2810 and 2811.

BOCES needs swimming volunteers (no advanced skill is necessary) for their weekly children's swim at the YMCA, each Thursday 9:45-11:00 a.m. If interested please contact Miss Hass, HPER Dept., 3144.

AKEBA — members of AKEBA are meeting regularly on Friday's at 4:30 pm in the Conference Room of the College Center. New members are welcome.

COLLEGE FOUNDATION SUPPORT IN 1978: 445 GRANTS TOTALING \$103,645

While the recently heralded Middle Income Assistance Act lies in jeopardy of President Carter's budget cutters, the Plattsburgh College Foundation was able to provide financial assistance to a record 445 deserving students from middle and lower income families in 1978.

At the January 29th annual meeting of Foundation members, it was reported that 1978 contributors by the College's alumni, other friends, and by private businesses and other corporations enabled the organization to provide scholarships and grants-in-aid assistance totaling \$103,645.00. Compared to 1977, the new figure represented an increase of more than \$13,000 resulting in financial support to an additional 79 students. In the Foundation's nine-year history, more than \$480,000 in gift income has been contributed in behalf of 2,100 Plattsburgh State students.

Ms. Suzanne M. Sokolowski, acting director of financial aids, rated the College's Foundation as one of the best among State University of New York units. "Undoubtedly our College Foundation is one of the most established in SUNY," Sokolowski said at the January 29th meeting. "Each year the Foundation becomes more of an integral part of the College's financial aids program. Even the smallest of Foundation scholarships offsets the cost of living increases that students experience each year."

E. Glenn Giltz, president of the Foundation, encouraged members at the meeting to continue their support of the Foundation. "The bottom line to the Foundation's success lies in the fact that we've been able to provide scholarships to young men and women who might otherwise have to terminate their undergraduate careers," Giltz said. "Support of the Foundation is an indication that individuals and businesses in our community believe in the mission of the College at Plattsburgh."

FOUNDATION STUDENT AID: 1971-1978

Year	Number of Recipients	Total Allocations	Average Gift
1971	53	\$ 10,932.00	\$206.26
1972	101	23,180.20	229.51
1973	193	47,180.20	244.46
1974	232	52,988.05	228.39
1975	328	76,030.75	231.80
1976	382	76,910.00	201.34
1977	366	90,315.00	246.76
1978	445	103,645.00	232.91
Total	2,100	\$481,181.20	\$229.13

PRESIDENTIAL EVALUATION NEARS COMPLETION; WILL BE REVIEWED BY CHANCELLOR, TRUSTEES

Data from a two-month campus-wide evaluation of President Burke, required for his reappointment as President of the College, is now being reviewed. Dr. John Myers, chairperson of the Faculty Senate and a member of the ad hoc evaluation committee, announced that faculty responses from the evaluation of the president are now being compiled by computer. In addition, the presidential evaluation process included:

- An evaluation by 25 select persons from among faculty governance leaders;
- An oral evaluation of 39 randomly-selected members of the College's faculty conducted by teams from the Senate Standing Committee on Faculty Affairs;
- The completion of an affirmative action questionnaire sent to members of the College's Affirmative Action Committee and select department chairpersons.

Results of the faculty evaluations will be assembled along with administrative staff and Student Association evaluations for presentation to the College Council. The Council will then submit all results to Chancellor Clifton R. Wharton, Jr., and the SUNY Trustees for review. The Trustees are scheduled to act on President Burke's reappointment at their June meeting.

COLLEGE GRANTED BACHELORS PROGRAM IN LATIN AMERICAN STUDIES

The College has been given preliminary registration by the State Education Department for implementing the bachelor of arts degree program in Latin American Studies, effective this fall. Given approval last fall by the Faculty Senate and the State University Central Office, the multidisciplinary program will be administered by the Director of Canadian Studies and International Education. The new program's faculty will be comprised of staff from the departments of anthropology, business/economics, environmental science, foreign languages and literature, geography, history, political science and sociology. The program will afford undergraduates a broad exposure to the study of Latin American and of the U.S.-Latin American issues and relations.

SSP STAFF PROVIDING COUNSELING, SPECIAL SKILLS; OFFICE RELOCATED IN COLLEGE CENTER

Last September's \$260,000 U.S. Department of Education grant received by the College for a two-year Special Services Project (SSP) assisted 125 students during the fall semester who qualified under the program's guidelines. Jim Garofalo, director of the newly organized program, explained that the SSP staff is providing counseling services and special instruction in reading, writing and math skills to the physically handicapped and economically and educationally disadvantaged students currently enrolled at the College. This semester SSP staff members expect to increase their assistance to an additional 200 students now that three full-time skills specialists have been hired under grant funds and new facilities have been provided in the College Center.

Since we began last semester with such short notification of the grant award, much of early fall was spent hiring a full-time staff and obtaining our own office space," Garofalo said. "This semester we expect to be operating at full capacity, serving approximately 325 students." The SSP Office is located in Room 118 of the College Center and students are encouraged to stop in and inquire about the program's services.

TWO FACULTY MEMBERS PUBLISH TEXTBOOKS

Dr. Stan Johnson, professor of psychology, and Lendall Haskell, associate professor of education, have recently published textbooks in their fields of expertise.

Dr. Johnson, is the author of a new college textbook entitled *Arithmetic and Learning Disabilities*. Published this month by Allyn and Bacon of Boston, the text has already been adopted for classroom and clinic use throughout the U.S. and Canada. More than 30 universities and colleges are already using the book in its first edition. The book follows a practical handbook format, providing teachers and other learning disability practitioners with a guide to procedures and activities necessary to successfully diagnose and help to correct arithmetic learning disabilities. The new arithmetic book is a companion work to an elementary introductory text in learning disabilities, co-authored by Johnson and Dr. Robert Morasky, formerly of Plattsburgh State's psychology faculty.

Johnson

Haskell

A text designed for teachers in the primary grade levels featuring basic instructional techniques in early childhood art education has been published by Lendall Haskell. Entitled "Art for Early Childhood," the text is being printed and distributed by Charles E. Merrill Publishing Company, Columbus, Ohio. The 11-chapter text discusses theory and practical help of art experiences young children between the ages of 4 to 8 should encounter at specific age levels. Haskell explained that the text illustrates in more than 80 photographs a variety of techniques that teachers can use to select, organize and manage the appropriate classroom art activity, while allowing the child to determine the end result. His research into the text was conducted while on the Plattsburgh State faculty. The text is now available in the College Bookstore and will appear this month at the Book House located in the Plattsburgh Plaza Shopping Center.

PEARLSTEIN EXHIBIT OPENS TODAY

The work of internationally famous artist Philip Pearlstein will be presented at the College's Myers Fine Arts and Rockwell Kent Galleries in a large retrospective exhibition of almost 100 drawings beginning Thursday, February 8 and continuing through March 9. This evening, Pearlstein will present a film and give a slide lecture on his work in the College Center Ballroom at 8:00 and a reception will follow in Myers Fine Arts Gallery.

Two additional gallery talks by members of the College's Art Department will be given from noon to 1:00 p.m. on Thursday, February 15, and Thursday, March 1, in the Myers Fine Arts Gallery.

TWIN VALLEYS PROVIDES FACILITIES FOR SKATERS, X-COUNTRY SKIERS, SNOWSHOERS

Winter recreational enthusiasts among the College's student body, faculty and staff can now enjoy the cross-country skiing and snowshoeing trails and skating pond provided at the College Auxiliary Services' Twin Valleys Educational Conference Center located in Lewis. An agreement by CAS and Essex County has provided free groomed cross-country trails for the cross-country skiing and snowshoeing buffs and a pond area for skating. The new facilities also include a warming hut. Twin Valleys will be open free to the college-community from 9 a.m. until 4 p.m. Wednesday through Sunday. Twin Valleys is located 42 miles south of Plattsburgh off Exit 32 on the Northway.

THIS WEEK'S CAMPUS SCENE

WEDNESDAY, FEBRUARY 7

Noon & 5:30 pm — Avant Garde Film Series: "Impressionists," "Post-Impressionism" and "The Three Sisters." Open to all. College Center Music Lounge.

12 Noon — The Brown Bag Theatre. Enjoy your lunch along with a theatre experience. Myers Studio Theatre.

7 pm — Study Skills Program — *Module I* — *Time Scheduling*. Open to all students. Individual help available on request. Whiteface Hall Reception Lounge.

7 pm — Career Planning and Placement will hold a Senior Information meeting for all majors. College Center Cardinal Lounge.

9 pm — Theta Kappa Beta meetings. Open to the campus. Clinton Dining Hall and College Center Cardinal Lounge.

THURSDAY, FEBRUARY 8

3:30 pm — Career Planning and Placement will hold a Senior Information meeting for all education and home economics majors. College Center Music Lounge.

4-6:30 pm — Fund Raising Flower Sale — Pre-Marathon event for Muscular Dystrophy. Area Dining Halls.

4 pm — China Film Festival — "The Forbidden City." The film recalls a part of Chinese history when emperors ruled in isolated splendor while many Chinese people lived in hopeless misery. Open to all. CL 208.

Contemporary Visual Artists' Series featuring figurative artist Philip Pearlstein. A retrospective exhibition of 95 drawings, showing from February 8-march 9. Opening is from **5 pm - 7:45 pm** in both Myers Fine Arts Gallery and the Rockwell Kent Gallery. The artist will give a slide lecture at **8 pm** in the College Center Ballroom (A & B) and a reception will take place following in the Myers Fine Arts Gallery. Open to the public.

7 pm — Study Skills Program — *Module I* — *Time Scheduling*. Open to all students. Individual help available on request. Hood Hall Main Lounge.

7:30 pm — China Film Festival — "Red Blossom of the Tien Shan Mountains," depicts the struggles which arise in building a new society — of which a woman is leader. The story takes place in 1959 in breathtakingly scenic Northwest China. Open to all. CL 208.

FRIDAY, FEBRUARY 9

4-6:30 pm — Fund Raising Flower Sale — Pre-Marathon event for Muscular Dystrophy. Area Dining Halls.

8 pm — Men's Basketball vs. Fredonia State College. Public \$1.50, non-PSUC \$1.00, PSUC 50¢. Memorial Gym.

SATURDAY, FEBRUARY 10

12 Noon — Indoor Track vs. Binghamton. Field House.

1 pm — Women's Basketball vs. Lyndon State. Memorial Gym.

3 pm — Men's Basketball vs. Binghamton State College. Public \$1.50, non-PSUC students \$1.00, PSUC students 50¢. Memorial Gym.

7:30 pm — Hockey vs. Geneseo State. Public \$2.00, non-PSUC students \$1.00, PSUC student 50¢. Ice Arena, Field House.

8 pm — Elizabeth Keen is appearing in the Hartman Theatre. Tickets public \$3.00, SA students 50¢. Tickets available at Hartman Box Office Monday-Friday 1-4 pm. For information call 564-2283.

SUNDAY, FEBRUARY 11

7 pm — SA Films presents "Romeo and Juliet." SA members 50¢. Hawkins Hall Large Auditorium.

MONDAY, FEBRUARY 12

3:30 pm — Career Planning and Placement will hold a Senior Information meeting for all liberal arts and nursing majors. College Center Music Lounge.

7 pm — Study Skills Program — *Module II* — *Note Taking*. Workshops open to all students. Individual help available on request. Macdonough Hall Conference Room.

TUESDAY, FEBRUARY 13

A representative from the U.S. Customs Agency will be in the College Center Lobby today to answer questions concerning job placement in U.S. Customs Work.

Noon & 5:30 pm — Avant Garde Film Series presents "Miss Julie," "Prophets: Pont-Aven, the Nabis and Toulouse Lautrec," "The Secret World of Odilon Redon." College Center Music Lounge.

7 pm — Study Skills Program — *Module II* — *Note Taking*. Workshops open to all students. Individual help available on request. Kent Hall Study Lounge.

7 pm — Anthropology Film Festival — "The Hadza" and "Circle of the Sun." Open to all. CL 206.

8 pm — Men's Basketball vs. Potsdam State. Memorial Gym. Public \$1.50, non-PSUC students \$1.00, PSUC students 50¢.

WEDNESDAY, FEBRUARY 14

Noon & 5:30 pm — Avant Garde Film Series. See Tuesday, February 13 at noon for details.

12:10 — Biology Seminar: "Ion Transport of Membrane Potentials of Cultured Glial Cells." Guest Speaker: Dr. Kimmelberg of the Albany Medical College. Open to all. Beaumont 432.

3:30 pm — Biology Seminar by Dr. Kimmelberg of the Albany Medical College. "Phase Transitions in Membranes." Hudson Hall 229.

6 pm — Women's Basketball vs. Middlebury College. Field House.

7 pm — Study Skills Program — *Module II* — *Note Taking*. Workshops open to all students. Individual help available on request. Whiteface Hall Reception Lounge.

7:30 pm — Environmental Action Committee meeting 2nd annual "Toward Tomorrow Festival," an alternative energy fair now being organized. All interested persons welcome. College Center Conference Room.

THURSDAY, FEBRUARY 15

Noon — Philip Pearlstein Exhibition. Public Gallery talk by PSUC Art Department Faculty Tom Holland, Rick Mikkelsen and Bill Robbins. Open to all. Myers Fine Arts Gallery.

1 pm — Recyclers meet. All interested persons welcome. Recycling Center (blue building behind Feinberg Library).

5:30 pm — RA Selection Training for RA candidates. College Center Ballroom B.

7 pm — Study Skills Program — *Module II* — *Note Taking*. Workshops open to all students. Individual help available on request. Hood Hall Main Lounge.

NOTES

The next **Montreal Bus** is Saturday, February 17. Tickets are \$4.00, on sale at the College Center Desk. The bus will leave from the P.E. Building at 9 am and departs from Montreal at 6 pm.

Campus Cable 4 and **Community Cable 10** schedule of hours: Monday-Thursday 3, 4 and 7 pm and Friday at 3 pm. All programs approximately 30 minutes. Programming for February 8-13: Lesson 7 Counseling Skills; Campus News; Insurance; Lesson 8 Counseling Skills; Campus News; Planning for the Future. February 14-16: Lesson 9 Counseling Skills; Campus News; History of U.S.-Foreign Relations, Part II.

Omicron Delta Epsilon, the College's International Honor Society in Economics, is conducting a membership drive. Open to all interested students of economics. Contact Dr. Prem Gandhi (3814) or Joe Behrman (2974).

SENATE PASSES NEW GENERAL EDUCATION PROGRAM; IMPLEMENTATION EXPECTED THIS FALL

In what some faculty members noted as a "near landmark decision," the Faculty Senate voted on Tuesday evening to revise the College's more than 10-year-old General Education Program. The new GE program was passed intact from an original proposal presented to the Faculty Senate by an all-college Summer Committee on General Education and revised by the Senate's Undergraduate Studies Committee. Complete details of the Undergraduate Studies Committee General Education Proposal was outlined in a December 13, 1978 memorandum addressed to all faculty.

The new GE program passed by the Senate will consist of 37 credit hours under the premise that "general education should consist of approximately one-third of a student's college experience, with the remaining two-thirds devoted to the major field of study and electives." The 37 hours will be distributed among the following three components:

- 10 hours in an Advanced Learning Skills Component comprised of three hours of written expression, three hours of communication skills, three hours of analytical skills and one hour of library skills;
- 18 hours of a Distributive Component in order to assure that students are exposed to a variety of subjects or disciplines outside their major field of study; and
- nine hours of an Integrative Component designed explicitly to enable students to conduct multidisciplinary, interdisciplinary or transdisciplinary study.

Dr. Jerome Supple, vice president for academic affairs, will chair a General Education Committee comprised of 16 faculty members. The committee will review the new proposal for implementation this fall. If the committee decides the GE program can be readied at summer orientation, the program will apply to all entering freshmen in the fall of 1979, all entering sophomores in the fall of 1980, and all entering students in the fall of 1981. The new GE program must go to President Burke for final approval.

The creation of a committee to review the College's General Education Program was the most positive result of last year's debate over President Burke's Five-Year Plan. After Tuesday's Senate meeting President Burke said that he was extremely pleased with the Senate's decision and thanked the entire College community for formulating a general education proposal that suited the needs of our students and the talents of our faculty rather than copying a program that tailored another college or university. "The success of this or any general education program will depend not on the numerical distribution of credit hours among fields of knowledge," Burke said, "but on the development of creative courses by our faculty."

SA LETTER-WRITING CAMPAIGN TARGETED AT PARENTS

In a further attempt to voice their disapproval over a proposed SUNY tuition hike, members of the College's Student Association have decided to tell their story to the party that will be most affected by the added financial burden, the parents of Plattsburgh State students. Sarah Connair, SA president, explained that nearly 3,000 letters will be sent to parents outlining details of the tuition increase and requesting they contact their respective legislators in Albany to support additional funding in this year's SUNY budget in order to avoid a tuition hike next fall.

Connair said that parents of freshmen students will be immediately notified of last week's SUNY Board of Trustees recommendation to place a \$150.00 tuition increase on students who enroll next fall as freshmen or sophomores. Under the Board's recommendation, the \$150.00 tuition increase to underclassmen will bring them to the same level juniors and seniors pay, or \$900 yearly. In the Board's opinion the tuition increase is necessary in order to make up approximately \$9.1 million lacking in Governor Carey's proposed budget for SUNY. The extra funds are needed to bond new construction, replace equipment and raise the minimum wage. The SA hopes to complete the letter-writing campaign prior to the next Board of Trustees meeting scheduled for Tuesday, February 27.

COLLEGE ADVERTISES THREE ADMINISTRATIVE FACULTY POSITIONS

Dr. Jerome Supple, vice president for academic affairs, is presently accepting applications for the positions of Dean of the Faculty of Arts and Science, Director of Continuing Education and Director of Canadian Studies and International Education. Applications for the Dean and Continuing Education positions must be submitted by Monday, March 5. Deadline for applications for Director of Canadian Studies and International Education is Monday, April 2. Applications for all three positions must be submitted to the Office of Vice President for Academic Affairs. Search committees are presently being organized for all three positions.

STUDENT SENATE CONSIDERS SASU MEMBERSHIP

This year's shortfall in state funds for higher education and the recent proposed tuition increase has members of the College's Student Association Senate researching the idea of membership into the Student Association of State University (SASU). Recognized as State University's official voice of student government, SASU presently represents 19 SUNY student government units. Kevin Stewart, executive vice-president of the SA and chairperson of the Senate, explained the necessity of having Plattsburgh's student body voice on the side of SASU. "We believe our student government leaders can stay informed on SUNY issues with proper representation in Albany," Stewart said. Membership into SASU requires a \$5,000 annual fee equating to approximately .85¢ a year for full-time Plattsburgh State students. Along with blocking the proposed tuition hike, Stewart outlined SASU's main objectives as lobbying for a raise in the student mandatory activity fee, state funding for intercollegiate athletics and area voting rights for students. SA officials are currently deliberating if the Senate should make the decision for membership or offer a campus-wide student referendum vote. Three years ago students defeated a similar referendum to join SASU.

FORENSICS OFF TO SPRING SEMESTER SUCCESS; RUNNERS-UP IN ITHACA COLLEGE TOURNAMENT

Outdistancing the remaining 12 teams in the Ithaca College Forensics Tournament last weekend, Plattsburgh State finished second behind Mansfield State College, PA. In their first outing of the semester, only the College and Mansfield State broke the triple digit figure in point totals. The Pennsylvania visitors compiled 124 points compared to Plattsburgh's 119. The College placed well ahead of the remaining top five finishers — Cornell, Niagara and Syracuse Universities. In debate competition the College team ended third, behind Cornell and Cortland State, with a 4-2 won-loss record. Both Cornell's and Cortland's only losses in debate were to the Plattsburgh team.

Senior Chris Sadler of Gouverneur captured four of the College's seven spots in individual competition, getting two first place awards in the effort. Seniors Diane Ducharme of Chazy and Wendy Bolster, Glens Falls, rounded out the other top individual spots for Plattsburgh. Coach Albert Montanaro will enter the team in an individual tournament this week at Mansfield State before readying for state and national competition.

IT'S ALL OVER CAMPUS; COLLEGE PROVIDED WITH COMMUNITY CABLE SERVICE

Last week television sets in residence halls and academic buildings began broadcasting network cable presentations provided by AuSable Communications, Inc. The Student Association purchased the service for an annual fee of \$600. The cable broadcasts are being aired over the College's campus-cable system, located in Yokum Hall, to television sets located in academic buildings and residence hall lounges. The new service will compliment regular campus-based programming. Community cable service will be provided from 10 p.m. until campus television sign-on at 8 a.m. Monday through Thursday, and Friday beginning at 5 p.m. through the entire weekend.

SLIDE LECTURE ON CONTEMPORARY COLLEGE PHOTOGRAPHY SCHEDULE FOR WEDNESDAY

Two Plattsburgh natives and alumni of the College, Greg Holmes ('75) and Marty Wolin, Jr., ('76) will present a slide lecture featuring contemporary college photography on Wednesday (February 21) at 7:30 p.m. in the College Center Cardinal Lounge. Holmes and Wolin are editors and publishers of a recently introduced national photography magazine entitled "Portfolio," a publication dealing in contemporary college photography. The Wednesday slide presentation is sponsored by the College's Art Department.

BASKETBALL, HOCKEY IN FINAL STRETCH; ARMY INVADES FIELD HOUSE FRIDAY

It's countdown time for Plattsburgh's men's basketball and hockey teams as both clubs vie for first place finishes in their respective conferences and possible playoff hopes.

In an important basketball game on Tuesday night at Memorial Gym, Coach Norm Law's cagers (12-6) faced Potsdam State in a SUNYAC contest. Plattsburgh entered the game in first place, (5-0 in SUNY play), while defending champion Potsdam boasted a 7-1 conference mark. The Cardinals start a busy road trip this weekend at Brockport State and the University of Buffalo. They return home on Tuesday (February 20) against Albany State. All games begin at 8 p.m.

Plattsburgh State's NCAA Division II number one rated hockey team continued its winning ways in big fashion beating Geneseo 8-3 for their 21st victory in 23 outings and their 20th straight win at home. The Cards entertain Army on Friday (February 16) at 7:30 and New England College on Sunday afternoon (February 18) beginning at 2:30.

The woman's cage team plays Norwich University at 5:30 at the Field House on Friday (February 16). They finish up their season with a road game against Johnson State on Tuesday (February 20) and the home finale will be against St. Lawrence University on Friday (February 23). The Friday game is a preliminary game to the 8 p.m. men's contest at Memorial Gym.

The Cardinal indoor track team, finishing second behind Vermont in a tri-meet with RPI last weekend, participates in a meet against Union College and Albany State in Schenectady this Friday (February 16).

On Saturday (February 17) Potsdam swimmers will compete against the College's tankmen in a men's varsity meet at Memorial Pool beginning at 1 p.m.

THIS WEEK'S CAMPUS SCENE

THURSDAY, FEBRUARY 15

12:00 pm — Philip Pearlstein Exhibition — Public Gallery Talk by Art Dept. Faculty Tom Holland, Rick Mikkelsen and Bill Robbins. Open to all. Myers Fine Arts Gallery.

FRIDAY, FEBRUARY 16

5:30 pm — Women's Basketball vs. Norwich Univ. Public \$1.50, Non-PSUC students \$1.00; PSUC students w/ID 50¢. Field House.

7:30 pm — International Film Festival featuring "Pull My Daisy," and "Heart of Glass." Free to all. Hawkins Hall Large Auditorium.

7:30 pm — Men's Hockey vs. Army. Public \$1.50, Non-PSUC students \$1.00, PSUC students w/ID 50¢. Field House.

SATURDAY, FEBRUARY 17

9:00 am — The Montreal Bus is leaving from the P.E. Building at 9:00 am and departs from Montreal at 6:00 pm. Tickets are \$4.00, on sale at the College Center Desk.

11:00 am — Cross-Country Skiing at Twin Valleys. Ski all day for \$1.00 Round Trip. Leaves College Center at 11:00 am. Arrives Twin Valleys at 12:00 pm. Leaves Twin Valleys at 4:00 pm. Arrives College Center at 5:00 pm. Tickets available at College Center Desk. Limited quantities.

1:00 pm — Men's Swimming vs. Potsdam. Free of charge. Memorial Gym Pool.

7:00 pm — S.A. Film: "Fire Sale" and "Silver Streak." S.A. members 50¢. Hawkins Hall Large Auditorium.

SUNDAY, FEBRUARY 18

2:00 pm — Men's Hockey vs. New England College. Public \$1.50, Non-PSUC students \$1.00, PSUC students w/ID 50¢. Field House.

5:30 pm — R.A. Selection-Training. For R.A. candidates. College Center Ballroom B.

8:00 pm — The David Bromberg Band with Livingston Taylor and Aztec Two-Step. Tickets: S.A. \$3.50, Public \$5.50. Field House.

MONDAY, FEBRUARY 19

7:00 pm — Study Skills Module III — Efficient Reading. Open to all students. Individual help available on request. Call 2073 for information. Macdonough Hall Conference Room.

7:00 pm — S.A. Rehearsal for Winter Weekend Talent Show. Hawkins Hall Large Auditorium.

TUESDAY, FEBRUARY 20

4:00 pm — Tuesday Reflections. Tom Henderson speaking on Africa. Cardinal Lounge.

7:00 pm — Study Skills Module III — Efficient Reading. Open to all students. Individual help available on request. Call 2073 for information. Kent Hall Study Lounge.

NOTES

Special tickets are available at the College Center Desk for the Montreal Centaur Theatre performance of "Ashes," on Saturday, March 3 at 2:00 pm. Tickets are \$2.50. The Montreal Bus will provide transportation on the date.

Students who received financial aid this semester and have not signed for Basic Educational Opportunity Grants (BEOG), Supplemental Education Opportunity Grants (SEOG), National Direct Student Loans (NDSL), or Federal Nursing Loans (FNS), must report to Room 712 of the Kehoe Administration Building immediately. If you do sign, all tuition support monies will be returned and students will be held liable for their own tuition payments.

COLLEGE'S INTERCOLLEGIATE FOOTBALL PROGRAM TO BE TERMINATED

President Burke informed the College's Intercollegiate Athletic Board (IAB) yesterday afternoon that he has decided to eliminate men's varsity football from the institution's intercollegiate athletic program.

Burke made his decision after the IAB had voted two weeks ago to recommend to the President that varsity football be continued as part of the College's overall athletic program. However, Burke told the IAB Wednesday that after studying the recommendation along with a confidential report of the varsity coaches, and following review of the College's athletic budget over the past few years, his analysis led to different conclusions.

"I approached this decision on the same caliber I would any program at this College, whether it be in the areas of academics or student activities," Burke stated. "When I became president four years ago I warned that the new financial depression in higher education would require this College to make programmatic decisions not, as in the past, on doing everything we desired to do, but on doing things which we could only do best."

Burke said that maintaining quality programs in this period of fiscal constraints has required hard choices in nearly every function of the College and that the time had come for final and realistic decisions in intercollegiate athletics at Plattsburgh State. He stated that his decision to eliminate football was based on the following conclusions:

- That current athletic programs can not be maintained at a high level of quality with present athletic funding and staffing;
- That the requirements of Title IX, and its new interpretation, will demand that the College increase substantially the opportunities for women to participate in intercollegiate athletics; and
- That the College cannot participate in a major sport such as football at an appropriate level of competition without the assistance of a coach employed full time and without a substantial increase in support funds.

Burke praised the efforts of the IAB for attempting to maintain a wide range of intercollegiate athletic programs and to student government leaders who allocate from their own monies athletic expenses which in Burke's words, "should be paid for from State funds." He also lauded the efforts of the players and part-time coaches who competed over the years against teams that had received much greater support from their institutions.

"If an athletic program could be run by desire alone," Burke said "then football would never be considered for elimination. Though money is certainly not everything in sports, the coaches and players deserve a minimum of resources to support their efforts. All of us would do many things to save football at Plattsburgh State, but we must not allow our desires for the continuation of this sport to push us to the conclusion of football at any price."

Football became an intercollegiate sport in 1972. Under a full-time head coach the team experienced a 9-15 record over a three-year period. However, under part-time coaching for the past four seasons, the team has recorded a 4-23-1 mark.

DR. LA MARIANA TO CONDUCT ORCHESTRA THROUGH 25TH SEASON

Dr. Angelo La Mariana, professor of music, will continue to conduct the College Community Orchestra through the orchestra's 25th anniversary season. Following a departmental meeting earlier this week, the music faculty issued the following statement through its chairperson, Herman Matlock:

"The music faculty at Plattsburgh State met Tuesday afternoon and agreed unanimously on an arrangement concerning the College Community Orchestra. Dr. Angelo La Mariana will conduct the orchestra through its 25th season (the 1979-80 academic year). After that time a new conductor will be appointed.

"The faculty also agreed that a cooperative effort must be made to increase both student and community interest and participation in the orchestra."

CANADIAN STUDIES PROGRAM RECEIVES MEDIA ATTENTION

The Canadian Press (CP) wire service issued a four-part series dealing with the College's Canadian Studies Program that was featured recently by several of that country's leading newspapers and radio stations. The series included wire stories on the College's Canadian Studies Curriculum Guide project and interviews with Plattsburgh State students majoring in the program. Newspaper articles appeared in the *Edmonton Journal*, Alberta, and the series was carried by several radio stations in the Toronto, Ontario, area. Dr. Richard Beach, acting director of the College's International Education and Canadian Studies Program, was also interviewed on a twenty-minute radio talk-show originating from Halifax, Nova Scotia.

Beach said that the Canadian Consulate General's Office in New York City has donated a collection of Canadian Books published in English to the College. He said that with the books the College received a set of records on Canada's recent contemporary history and a current journal on Canada's legislatures. The materials are presently being added to the Feinberg Library's existing Canadian Studies Collection.

'TROPICANA' THEME OF WINTER WEEKEND

The end of the season's prolonged "deep freeze" in the North Country came just in time as the campus plunged into preparations for Winter Weekend '79, which has unfolded on the inviting South Seas theme, "Tropicana." The weekend activities began last night with a talent show in Hawkins Hall Large Auditorium. On Friday (February 23) the Winter Weekend schedule picks up with a 50's night in "The Pub" featuring Glens Falls' own J.B. and the Greasers Band; a Saturday evening semi-formal dance; and Sunday afternoon winter sporting events. The calendar in this issue of WEEKLY has complete details on the weekend.

STUDENTS PRODUCING INSTRUCTIONAL/TRAINING FILM FOR HARRIS BINDERY CORPORATION

Through sponsorship of an independent study course by Harris Bindery Corporation of Champlain, four Plattsburgh State senior communications majors are working this semester in filming and producing a black and white instructional/training video-tape for the company's quality control employees. The independent study course, entitled "Industrial Applications for Non-Studio Television," is designed to provide students with the methodology and application of producing instructional/training films for business and industry. Larry Arcarese, associate professor of education and instructor of the independent study course, said that this is the first attempt to offer communications students an "on-hands production project in the field." Presently, the students are traveling to Harris Corporation every Friday to conduct the actual filming of the video-tape. Barry Cleveland, manager of service publications at Harris Corporation, explained that the project will be one of several training films the company has planned for the future. Students involved in the project are Leslie Cloutier of Lake Katrine, Hal Furman of Baltimore, MD., Lori Sperling of Levittown, and Kevin Stewart of Stony Point.

SPEECH AND HEARING PROFESSIONALS, STUDENTS TO ATTEND TWO-DAY WORKSHOP

More than 100 speech and hearing professionals and students will be attending a two-day Cued-Speech Workshop for the aurally-handicapped child this Friday and Saturday (February 23-24) at the College's Comprehensive Educational Center. Dr. R. Orin Cornett, research professor and director of the cued speech program at Gallaudet College, Washington, D.C., will conduct the workshop. Cornett's cued-speech method is becoming well-recognized by speech and hearing professionals as an effective means for helping deaf children in speech correction through the use of hand signals. The workshop, under the direction of Gail Kyea, assistant professor of hearing and speech science, is being sponsored by the College's Sibley School for Educational Research and Demonstration and the Speech and Hearing Center.

CAGERS' SUNYAC CROWN HOPES STILL ALIVE; HOCKEY TEAM READIES FOR MIDDLEBURY

Pivotal contests still remain for both the Cardinal basketball and hockey teams as both clubs ready for this winter's post-season championships.

On Tuesday night (February 20) Norm Law's Redbirds were victorious in an overtime, 60-58, win over Albany State at a packed to capacity Memorial Gym. The narrow victory left the Cardinals in sole possession of first place in the State University basketball conference with a record of 8-1 and 16-7 overall. The Cardinals play Oswego State at home on Friday night (February 23) at 8:00 and finish the season against Potsdam State on Saturday in a game that may well determine this year's SUNYAC champion.

The Cardinal hockey team maintained their number one national ranking for the fifth straight week by breezing past Army, 5-2, and New England College, 9-3, this past weekend. The Cardinal victories extended their win streak to 14 games and upped their overall record to 23-2 and 20-2 in the ECAC. The skaters are on the road this Friday against Oswego State. On Wednesday (February 28) they face second-place Middlebury College at home in a game that could be a preview of the ECAC Division II West Championship.

THIS WEEK ON CAMPUS

THURSDAY, FEBRUARY 22

U.S. Marines will be available to talk with all interested students in the College Center Lobby.

5:30 pm — Quantity Foods Class — "A President's Feast." Tickets Public \$4.50, Student \$4.25, Children \$3.75 (under 12) available at Student Union. Information Desk — Cash Sales Only. Arrangements can be made by calling Miss DiBello at 564-2216 or Ms. Tara McPeck at 564-2205. ERDC Cafetorium, Upper Rugar St.

5:30 pm — R.A. Selection-Training for R.A. Candidates. College Center Ballroom B.

7:00 pm — Study Skills Module III — Efficient Reading. Open to all students. Individual help available on request. Call 2073 for information. Hood Hall Main Lounge.

8:00 pm — NTA presents "The Lion in Winter" by James Goldman. A comedy act in the reign of King Henry II. S.A. Free; public \$3.00. Studio Theatre, Myers Fine Arts Building.

FRIDAY, FEBRUARY 23

Affirmative Action Employer.

NOMINATIONS SOUGHT FOR GENERAL EDUCATION COMMITTEE

Implementation next fall of the proposed new General Education Program passed recently by the Faculty Senate will depend largely on the efforts of a 17-member faculty committee which will begin review of the program this spring. The committee will be chaired by Dr. Jerome Supple, vice president for academic affairs. Supple announced that his office is now in the process of soliciting names from each academic department and program. From those nominated, Supple, with the assistance of Dr. Nicholas Troisi, dean of professional and general studies, and members of the Faculty Senate Undergraduate Studies Committee, will select the sixteen faculty who will serve on the committee. Members of the first GE committee will include eight faculty who will serve one-year terms and eight who will serve for two years. Thereafter, all members will serve for two years.

Supple said that committee selected this spring will review the methodology for screening courses for inclusion in the GE program. He explained that implementation of the GE program next fall will depend on the number of courses in the advanced learning component that can be made available by summer orientation. The ten-hour learning skills component consists of three hours of written expression, three hours of communication skills, three hours of analytical skills and one hour of library skills.

20-MEMBER ENERGY COMMITTEE FORMED

A "watchdog" committee that will monitor the consumption of energy on campus has been organized under the direction of J. Derek Allan, facilities program coordinator. The 20-member committee, composed of faculty, staff and students, will recommend programs and projects to the President and his executive staff for improved utilization of energy and for heightened awareness of the need to adopt greater conservation measures through the campus. Allan said the committee will attempt to develop means to gauge the effectiveness of the College's efforts to conserve energy in comparison with conservation endeavors underway at institutions of similar size. The committee includes four faculty, four students who reside on campus, three operations staff, three service personnel staff, and one representative each from *Cardinal Points*, WPLT, the College Council, the Office of College Relations and the administration staff.

COMMITTEE SELECTED TO SEARCH FOR ARTS AND SCIENCE DEAN; DR. MOWRY, CHAIRPERSON

Dr. David Mowry, professor of philosophy, will chair the search committee formed to seek a new dean for the Faculty of Arts and Science. The position has been vacant since the end of the fall semester when Dean Philip B. Clarkson resigned to return to his native northern California. Serving with Mowry will be Dr. Stuart Baum, Dr. Rainey Ellis, Dr. Lonnie Fairchild, Michael Freed, Dr. Prem Gandhi, Dr. William Graziadei, Dr. Yenoïn Guibbory, Dr. Thomas Henriksen, Robert Moll, Dr. Paul Roman, Dr. Eleanor Stoller, Dr. Ann Tracy and Dr. Nicholas Troisi. The committee invites nominations and applications for the position with the request they be forwarded to the Office of the Vice President for Academic Affairs, Room 313, Kehoe Administration Building. The deadline for applications is Monday, March 5.

Faculty are reminded that March 5th is the deadline for receipt of applications for the position of director of continuing education, which also should be sent to the Office of the Vice President for Academic Affairs.

TUESDAY PANEL DISCUSSION: THE ECONOMIC IMPACT OF ST. PATRICK'S DAY (WITHOUT STUDENTS)

The economic impact of the celebration of St. Patrick's Day in the City of Plattsburgh, without vacationing students, will be the subject of a panel discussion to be held on Tuesday, March 6, at 2 p.m. in Ballroom A of the College Center.

Panelists will include Mayor John Ianelli, Plattsburgh City Police Chief Herbert Carpenter and Robert Wallett, a proprietor of Peabody's Restaurant on Clinton Street. Several downtown merchants also are expected to be present to express their views. The program, which will include opportunity for comments from the audience, is being sponsored by the College's Economics Club, the Alpha Sigma Chapter of Omicron Delta Epsilon and the Department of Business and Economics. It is part of a series of programs designed to stimulate interest in current economic matters.

DR. LOACH NAMED TO ACS TASK FORCE REVIEWING LABORATORY SAFETY

Dr. Kenneth Loach, associate professor of chemistry, has been selected by the American Chemical Society (ACS) to an eight-person national task force. The task force, representing an ACS membership of nearly 20,000 professionals, will review and make recommendations to the Society on proposed Health, Education and Welfare guidelines concerning the safe use of chemical substances in laboratories engaged in teaching and research. According to Loach, no federal regulations in matters related to laboratory health safety or management apply to state institutions unless there is a corresponding state Occupational Safety and Health Act (OSHA). He explained that the task force will recommend to the ACS a set of health and safety guidelines that the Society can adopt as professional standards. Loach explained that in the near future the State of New York may adopt the enforcement of OSHA guidelines in state-owned teaching and research laboratories, including State University. Loach, a member of the College faculty since 1969, serves as chairperson of the Arts and Science Laboratory Safety Committee.

NEW YORK MUSEUM DONATES ANTHROPOLOGICAL SCULPTURES TO COLLEGE

The American Museum of Natural History in New York City has donated seven anthropological busts to the College's Anthropology Department from the museum's collection of Expeditions from the late 1800's to the present. The busts are replicas of original sculptures of the Cheyenne Indians, the Nuotka Indians of the Pacific Coast, and peoples native to Polynesia, Siberia and Africa. The busts will be exhibited in the anthropology department's display case in the Faculty Office Building II (formerly the old Feinberg Library). Dr. Philip DeVita, associate professor of anthropology, was responsible for arranging the donation of the busts to the College.

CARDINAL POINTS ELECTS NEW EDITOR; EDITORIAL BOARD EXPANDED

James Lynch, a junior communications major from Cranford, has been elected editor-in-chief of *Cardinal Points*. Lynch will head the publication's staff of 70 students. Lynch announced that along with his appointment five new administrative positions have been added to the paper's editorial board. Steve Carlic, a junior from South Schodack, will be the new managing editor and Tom Dexter, a freshman from Beacon, will serve as news editor. Additional new administrative positions include a feature editor and editors for arts, sports, layout and photography. Lynch said that he is excited about his appointment and that he expects the paper's enlarged and experienced staff will improve the paper's format and editorial content.

POWERS SELECTED 'ATHLETIC TRAINER OF THE YEAR'

Hollis "Doc" Powers, athletic trainer and assistant professor of physical education, has been awarded the "Thomas Sheehan Award" given annually to an athletic trainer in New York State in recognition of outstanding contributions to the profession. Powers, who received the award at a recent meeting of the Eastern Athletic Trainers Association held at Grossingers, is president of the New York Chapter of the EATA. The award commemorates Thomas Sheehan, recognized as one of the nation's prominent athletic trainers while at R.P.I. The EATA is a division of the National Athletic Trainers Association, which has a membership of more than 3,000 professionals. Powers is in his second year as president of the New York Chapter.

ECAC HOCKEY QUARTERFINALS HERE SATURDAY; CAGERS FACE ELMIRA IN UPSTATE CHAMPIONSHIPS

The Cardinal hockey team's first leg to the NCAA Division II title begins this Saturday when they host either Williams College (MA.) or North Adams State (MA.) in the quarterfinals of the ECAC Division II West. The Cards, now 24-2 on the season, received the number one seed in the tournament on Sunday (February 25). Last night the Cards faced Middlebury College in their season finale. Middlebury needed a victory to secure the second seed position in the playoffs over Elmira College. The number one seed position allows Plattsburgh the home ice advantage in the single elimination playoffs. A victory for the Cardinals on Saturday will advance them to the semifinals scheduled for Wednesday, March 7, at the Field House. All ECAC playoff games begin at 7:30 p.m. Tickets for the playoffs are \$3.50 for reserved seats, \$2.50 for general admission and \$1.50 for Plattsburgh State students. Reserved seats can be purchased in advance at the College Center Main Desk and general admission seats are on sale up until game time at the Field House Ticket Office from 6 p.m.-10 p.m. **According to ECAC regulations all passes have been suspended for the playoff games.**

The Cardinal basketball team's 80-62 loss to Potsdam State last Saturday left them in a three-way tie with Albany State and Potsdam State for the 1978-79 SUNYAC crown. The Cardinals earned a spot in the ECAC Upstate New York Division III Championships against Elmira College this Friday night (March 2) at Hamilton College. If the Cardinals are successful against Elmira, they will play the winner of the Hobart College-Hamilton College on Saturday (March 3) for the upstate championship. The winner will not go on any further in post-season play.

FALL SEMESTER ADVISEMENT PERIOD BEGINS MARCH 27

The advisement period for the fall semester has been scheduled for March 27-April 6. During that period students must meet with their advisors, plan their fall semester schedules and deposit their Master Registration Card in the appropriate location in the College Center lobby during the hours of 9 a.m. to 4 p.m.

Registration results will be distributed April 26-27. Students residing on campus will receive the material in their residence hall mailboxes while off-campus students may pick up their registration results in the lobby at the College Center between the hours of 9 a.m. and 4 p.m.

THIS WEEK ON CAMPUS

THURSDAY, MARCH 1

9 am — The Colleges of Plattsburgh and Clinton Community present Dr. Richard A. Gardnj, Associate Clinical Professor of Psychiatry at Columbia University, who will speak in "The Effect of Single Parent Family on Children." College Center Ballroom.

5:30 pm — Quantity Foods Class — "A Touch of Italy." Public \$4.75, students \$4.50, children under 12 \$4.25. Tickets: College Center Information Desk, Campus School Cafetorium.

5:30 pm — RA Selection Training for RA candidates. College Center Ballroom B.

7 pm — The Study Skills Program — Module IV — Paper Writing. Open to all students. Individual help available on request. Call 2073 for information. Hood Hall Main Lounge.

WEDNESDAY, MARCH 7

12 noon — Brown Bag Theatre. Come for the lunch hour and enjoy the theatre. Myers Studio Theatre.

noon & 5:30 pm — Avant Garde Film Series — See Tuesday, March 6 at same time for details.

4:30 pm — Student Nurses Association faculty/student meeting. College Center Cardinal Lounge.

7 pm — Study Skills Program — Module V — Exam Taking. Open to all students. Individual help available on request. Call 564-2073 for information. Whiteface Hall Reception Lounge.

THURSDAY, MARCH 8

7 pm — Study Skills Program — Module V — Exam Taking. Open to all students. Individual help available on request. Call 564-2073 for information. Hood Hall Main Lounge.

7pm — Career Planning and Placement will sponsor a Resume Writing Workshop for all students. College Music Lounge.

NOTES

Applications for 1979 Summer Tutor-Counselor positions in Upward Bound are now available at the College Center Desk and the Upward Bound Office, Kehoe 201. Application deadline is March 9. For further information call 564-2030. Special tickets are available at the College Center Desk for the Montreal Centaur Theatre performance of "Ashes" on Saturday, March 3 at 2 pm. Tickets are \$2.50. The Montreal Bus will provide transportation on that date.

Cross Country Skiing at Twin Valleys every Saturday from 11 am to 5 pm. Round trip tickets \$1.00, on sale at College Center Desk.

The faculty is reminded that the periodical review process requires that suggested deletions must be received in the Library or in your Liaison's hands by March 2, 1979 at the latest.

SUNY TRUSTEES' COMMITTEE OKS TUITION HIKES; MEASURE TO AFFECT 50% OF COLLEGE'S UNDERCLASSMEN

State University's proposed \$150 tuition increase for freshmen and sophomores became near reality last Friday (March 2) as the SUNY Board of Trustees' executive committee gave final approval to the measure. The full board is scheduled to ratify the action at its monthly meeting in April. The committee made its decision after learning lawmakers would not come up with \$9.1 million in extra funds for SUNY. The tuition hike, along with a \$50 increase in room rents authorized by the committee, would be effective for the 1979-80 school year.

College President, Joseph C. Burke, said he regretted approval of the tuition increase, but added that he was grateful that upper division students — juniors and seniors who already made a two-year commitment to obtain a college degree — will not be affected. Calling any boost in tuition at public institutions "a tax on learning," Burke said "I realize that the Board of Trustees of the University investigate every viable alternative before approving the increase." Under the tuition increase, freshmen and sophomores will pay \$900 yearly, the same as SUNY upperclassmen.

The College's Financial Aids Office estimates nearly one-half the current freshmen class of 1,200 will pay all or part of the tuition increase. The state's Tuition Assistance program will offset the cost of the increase for the remaining 50 per cent who come from families whose net taxable income is \$10,000 or less.

In addition to students who will be sophomores at Plattsburgh in September, about one-half of the estimated 1,100 high school seniors expected to enroll at the College next fall will be required to pay the additional \$150 in tuition since their families also will report net taxable incomes exceeding \$10,000.

SUNY officials explained that the tuition hike effective next fall was necessary when state legislators indicated to SUNY officials that they would not receive approximately \$9.1 million in appropriations needed to bond new construction, to replace obsolete equipment on SUNY's 64 campuses and to meet the mandated increase in the minimum wage paid to students in the federal work-study program.

The \$50 increase in room rent means that approximately 3,000 students who live in the College's 12 residence halls will each have to pay \$400 per semester in room charges during academic 1979-80.

FRESHMEN APPLICATIONS FOR FALL 1979 ADMISSIONS UP 2.6 PER CENT

Applications from prospective freshmen students seeking admission to the College for fall 1979 have increased 2.6 per cent over the fall 1978 figure, according to a March 2 report by the Office of Admissions.

David Truax, the College's director of admissions, announced that 5,725 applications from prospective freshmen students have been received by his office. However, Truax indicated that applications from two-year State University transfer students are down 18.2 per cent over last year, and that transfer applications from all other institutions have declined by more than four per cent. "Thus far we seem to be following a trend with other SUNY units in experiencing a drop in total two-year transfer applications," Truax said. "As of March 2, we have received approximately 1,500 applications from two-year transfers." The College hopes to admit 700 transfers next fall.

The March 2 freshmen application figure indicates that the College is the only four-year SUNY school which has shown a large increase in first-year student applications over a two-year period.

Top academic programs leading in application rates are communications (mass media), up 437 applications (63%) over last year and computer science, up 417 applications (37%). Business continues to be a popular program with more than 1,800 applications already received.

COMMITTEE TO STUDY WOMEN'S INTERCOLLEGIATE ATHLETIC PROGRAM

A college-wide presidential ad hoc committee to study the opportunities of intercollegiate athletics for women has been formed under the direction of Jan Edwards, assistant director of admissions. The committee's responsibilities will be to design a master plan for women's sports which will consider upgrading existing programs and consider guidelines for the addition of new ones under Title IX regulations. The committee will report all of its findings to the College's Intercollegiate Athletic Board (IAB). At the outset, the committee's main objective will be to submit to the IAB funding considerations for women's sports that can be incorporated into the College's 1979-80 intercollegiate athletic budget.

"The committee will include people on campus who have special interests in women's athletics," Edwards said. "We hope to act as a sounding board for members of the college community, and we invite ideas on ways in which women's sports can be improved and expanded." Serving on the committee with Edwards are Patty Bentley, Sarah Connair, Mal Lavery, Annette Manganel, Jean Morlock and Kevin Stewart. Dr. Eldridge Roark, vice president for student affairs, will appoint another member of the teaching faculty to the committee in the near future.

SEARCH BEGINS FOR DIRECTORS OF CANADIAN STUDIES/INTERNATIONAL EDUCATION, CONTINUING ED.

The Office of the Vice President for Academic Affairs has announced the selection of two search committees to seek directors for the positions of Canadian Studies/International Education and Continuing Education. Dr. Suzann Buckley, associate professor of history, will chair the search committee for Director of Canadian Studies and International Education. Serving with Buckley will be Al Hassler, Dorothy Jackstadt, Dr. Martin Lubin, Dr. George Pasti, Dr. Richard Robbins, Dr. Doug Skopp and Dr. Stuart Voss.

Members of the search committee formed to seek a Director of Continuing Education are Dr. Charles Blood, Dr. Stewart Denenberg, Richard Gifford, Dr. Jane Gore, Al Hassler, Dr. Ann Hasting, Dr. Robert Miller, Dr. Richard Robbins, Dr. Paul Roman, Dr. Nicholas Troisi, and Dr. Ann Zielinski. A chairperson for the search committee will be selected in the near future.

DR. MILLER INVITED TO JUDGE MEXICAN INTERNATIONAL MUSIC FESTIVAL

Dr. James B. Miller, professor of music, has been selected by Music Festivals International to represent the U.S. as a judge to the organization's music festival in Mexico City, March 19-24. More than 250 talented high school bands, orchestras and choirs from the U.S. will be in attendance for the five-day event in Mexico City, now in its 10th year under the direction of Music Festivals International. Miller, along with one judge selected from Mexico, will evaluate and judge each band's and choir's concert performance. Over the past 10 years, musicians, music educators and composers from throughout the world have served on the festivals adjudication staff. The evaluation performance offers both music directors and students an opportunity to receive a positive, constructive evaluation of the group's musical achievements. Music Festivals International holds memberships in the National Association of Jazz Educators, the National Band Association, the American Association of String Teachers and the American Choral Directors Association. Miller, now in his

23rd year on the College's music faculty, is director of Plattsburgh State's Symphonic Band.

FINAL REQUEST FOR RESOURCE DIRECTORY INFORMATION

Faculty and staff who have yet to respond to a request for information pertaining to their fields of professional expertise, to be compiled in a College community "Resource Directory," will have one, final opportunity to become participants. A third mailing to individuals who have not returned completed forms to the Office of College Relations is currently being disseminated. Thus far, approximately 170 members of the faculty and staff have elected to be included in the directory listing.

"Participation is voluntary," said Dennis Doyle, director of communications, who will compile the resource directory, "so it is not our intent to pressure anyone into supporting this effort. However, in checking the names of respondents against the faculty roster, it is clear that many people who could contribute substantially to the comprehensiveness of the directory have not responded. Among this rather large group are several individuals who have been cooperative in the past in helping North Country media 'localize' major news stories related to their fields of specialization. We are requesting faculty and staff who choose not to participate to indicate the fact on the form and return it to my office (Kehoe, 802). In all likelihood, a combination of oversight and workload has delayed responses to our first two mailings."

RESIDENCE HALLS TO REMAIN OPEN THROUGH SUNDAY MORNING, MARCH 11

Bill Laundry, director of residence life, announced that all residence halls will remain open for students who wish to attend the ECAC Division II Hockey Championship scheduled for Saturday, March 10. Laundry explained that providing that Plattsburgh State defeated Norwich in last night's (March 7) semifinal contest, residence halls will remain open until 10 a.m., Sunday, March 11, for students who purchase championship game tickets prior to Friday, March 9, at 4 p.m. Throughout the extended period, residence halls will remain locked and students will not be able to entertain overnight guests nor host alcoholic functions. Dinner Saturday and breakfast Sunday will be available a la carte.

ICERS MOVE INTO ECAC SEMIFINALS; CARD CAGERS RUNNERS-UP IN UPSTATE TOURNAMENT

Led by the hat trick performance of high scoring senior winger Dan Brown, the Cardinal hockey team thumped Williams College 11-1 last Saturday (March 3) in quarterfinal action to advance to last night's (March 7) semifinal round with Norwich University at the Field House. The Cardinals, favorites to win the ECAC Division II West playoffs, needed a win against Norwich to play the winner of the Middlebury-Elmira contest for the championship this Saturday (March 10) at the Field House. If Plattsburgh can beat Norwich, only one of two schools that defeated the Cards all season, then tickets for the Saturday night championship game would be available at the College Center Main Desk and Field House Ticket Office. Tickets for the playoffs are \$3.50 for reserved seats, \$2.50 for general admission and \$1.50 for Plattsburgh State students. All games begin at 7:30 p.m. According to ECAC regulations passes have been suspended for the playoff games. A victory for the Cardinals in Saturday's championship game can almost assure them a berth in the NCAA Division II Championships to be held at Merrimack College, North Andover, MA., March 15-17.

The Cardinal basketball team finished their season last weekend with a second place finishing in the ECAC Division III Upstate Basketball Tournament. The Cardinals defeated Elmira College in the opening round, 62-57, before falling to host Hamilton College in the finals, 83-65. The Cardinals finished their season with an 18-9 record. Senior Tony Petioni and juniors Kevin Baldwin and Paul Einsmann were named to the all-tournament team. Baldwin, who averaged over 18 points a game for the Cardinals this season, was also named to the National Association of Basketball Coaches All-District I Team in Division III.

THIS WEEK ON CAMPUS

THURSDAY, MARCH 8

5:30 pm — Quantity Foods Class will hold a "Salute to Swing" dinner in the ERDC Cafeteria. Tickets are available at College Center Desk. \$5.50 public, PSUC students \$5.25, children \$4.75.

7 pm — Career Planning and Placement will sponsor a Resume Writing Workshop for all students. College Center Music Lounge.

7 pm — Study Skills Program Module V — Exam Taking. Open to all students. Individual help available on request. Call 564-2073 for information. Hood Hall Main Lounge.

FRIDAY, MARCH 9

4 pm — End Unrestricted Course Withdrawal Period

10 pm — End of Quarter — Classes End — SPRING RECESS

SUNDAY, MARCH 25

12 noon — Residence Halls Reopen.

4:30 pm — Meal ticket service for dinner begins.

8 pm — Champlain Chamber — Yenoin Guibbory and Shem Guibbory, violin duo. Open to all. Hartman Theatre.

MONDAY, MARCH 26

8 am — Classes Resume

11 am-3 pm — Student Art Exhibition — Jewelry, Drawings and Ceramics by Rachel Garrison and David Greene. Exhibition continues to April 6. Opening reception will be held from 2-4 pm on March 30. College Center Cardinal Lounge.

TUESDAY, MARCH 27

4 pm — Tuesday Reflections. Open to all. Cardinal Lounge, College Center.

7 pm — Department of Anthropology Film Festival presents: "The Seven Samurai." A classic Japanese film about the conflict between peasants and bandits. Open to all. CL 206.

WEDNESDAY, MARCH 28

7 pm — Women's Studies presents Lonnie Fairchild and Richard Wunderlich speaking on "Women in Science." Open to all. CVH 110.

7:30 pm — Art Department presents a series of artistic slide presentations. Open to all. College Center Cardinal Lounge.

THURSDAY, MARCH 29

5:30 pm — A Dinner in Moscow is planned for you. The menu includes borscht, pirozhki, roast chicken and walnut sauce, served at the Campus School Moscow by Quantity Foods. Get your tickets early at the College Center Desk.

NOTES

Applications for 1979 Summer Tutor-Counselor positions in Upward Bound are available at the College Center Desk and the Upward Bound Office, Kehoe 201. Application deadline is March 9. For further information call 564-2030.

Special tickets are available at the College Center Desk for the Montreal Centaur Theatre performance of "Winter Dancers" on Saturday, April 7 at 2 pm. Tickets are \$2.50. The Montreal Bus will provide transportation on that date.

College Foundation Scholarships for 1979-80 based on academic achievement are available through the departments of Political Science, Chemistry, Biology, Music, Home Economics, Behavioral Science, Canadian Studies, and Nursing. Contact your department chairman for details.

Supplementary funds have been received from the federal government for College Work-Study Program and Federal Nursing Loans for the spring 1979 semester. Students currently on the Work-Study waiting list are encouraged to see Laura Dominy in the Financial Aid Office for job assignments. Nursing students who were denied aid for the current year should see Suzanne Sokolowski in the Financial Aid Office for aid reconsideration.

Financial Aid forms for 1979-80 are now available and should be filed as soon as possible, especially if Work-Study is desired for the summer.

Deadline for applications for **Customs Co-op program** has been extended until Friday, March 30. Applications can be picked up in Kehoe 313.

Please be alerted that **Residence Hall Room Applications** for the 1979-80 academic year are now available in the area offices of the residence halls (Harrington, Wilson, Whiteface) and the Residence Life Office (College Center).

Campus Cable 4 schedule of hours: Thursday 3 pm and 7 pm and Friday at 3 pm. All programming approximately 30 minutes. Programming for March 8-9: Counseling, Lesson 15; Quarter-hour News; Town and Country; Buying Beef; Counseling, Lesson 15; ECAC Division II Hockey Tournament PSUC vs. Norwich (Thurs. only).

COLLEGE CLOSES FALL ADMISSIONS IN ACCOUNTING, BUSINESS, AND NURSING

Because of the increase in new student application rates for fall 1979, the College this week closed admission to freshmen and transfer students requesting places in its accounting and nursing programs, and to freshmen seeking to enroll in the business curriculum.

David Truax, director of admissions, announced that the closings occurred at the earliest date in the College's history. As of Monday, March 26, the admissions office reported it already had received in excess of 2,900 applications from prospective first-year students seeking one of the 415 openings available in the three programs combined. Only the business program (management and marketing) will continue to accept a small number of transfer applications. Truax also indicated that increased new student applications requesting admission to the College's special education, computer science and communications (mass media) curriculums may force their closings to freshmen withing the next month.

"We have a commitment to make sure that our highly popular programs are not overextended," Truax said in explaining the College's action. "Admission to these programs has become highly competitive over the past few years and we want to maintain their standard of quality by keeping to our established new student enrollment goals."

Last year the College closed freshmen applications to all academic programs in mid-May in the face of an 11 per cent increase in new student applications. This year, with a 3.5 per cent increase over last year's freshman applications already calculated, Truax anticipates that all academic programs for freshmen may again be closed, by the first part of June.

SURVEY INDICATES 1978 GRADUATES FARING EXTREMELY WELL IN JOB MARKET

Approximately 90 per cent of the College's 1978 graduating class who responded to a fall semester job survey reported they were currently employed. The figure was compiled from a return of 61 per cent (765 members) of last year's senior class contacted in a mail and telephone survey conducted by the Career Planning and Placement Office.

Tom Moran, director of student development, explained that the survey differed from previous years in that it covered the entire graduating class rather than just those who had registered with the Placement Office. "This year's 61 per cent response rate is the highest ever recorded and enabled greater confidence in making generalizations about the employment patterns of recent graduates," Moran said.

According to the responses of the 765 graduates surveyed, the following is what the most recent Plattsburgh State senior class is experiencing in the job market:

- 90 per cent of those looking for work are currently employed;
- 75 per cent are employed in a professional field;
- 59 per cent are employed in professional positions directly related to their major field of study; and
- 21 per cent described themselves as underemployed.

Based on the overall data gathered in the expanded survey, Moran contended that Plattsburgh State graduates did well in the job market. He further indicated that, based on national trends, the employment pattern looks favorable for the college graduate who is out in the job market and seeking placement in a professionally related field.

CAREER DEVELOPMENT WEEK: HOW TO GET THE JOB YOU WANT

On the eve of the College's recent job survey on the status of 1978 graduates, the Office of Career Planning and Placement has announced a full program of activities for its first Career Development Week, April 2-6. Included in the five-day program will be lectures, workshops and film presentations designed to provide students with a wider perspective on career choices for college graduates. The culmination of the week's activities is scheduled on Thursday, April 5, with the sixth annual Career Night, from 7-9 p.m. in the College Center Ballroom. Representatives from more than 90 career areas including federal, state and local government agencies, business, industry, social services, health professions and all four branches of military service will be in attendance that evening to meet with interested students.

On Wednesday (April 4), Tom Jackson, one of the nation's leading experts in manpower and employment and a developer of a program which shows college students how to get the jobs they want, will give a feature presentation entitled "Guerilla Tactics in the Job Market" and a Wednesday afternoon workshop for students only on "Women in the Job Market." Also scheduled for Career Week are a Job Finders Film Series, and an Interview Workshop for students to take a "mock" interview with an optional video playback for critique. "By expanding to a week-long program," said Casper, "we hope to gain additional awareness from underclassmen, as well as seniors, in terms of the different aspects of career development." All of the Career Development Week activities are highlighted in the WEEKLY calendar section

WEEKLY SURVEY: 177 RESPONDENTS GIVE PUBLICATION HIGH MARKS

Our thanks to the 177 WEEKLY readers who took time to complete and return the survey published and disseminated with our February 15 issue. Overall, WEEKLY received high marks, and the editors greatly appreciate the many positive suggestions for its improvement. The results indicate that: 96 per cent read WEEKLY every week; 90 per cent read all or most of WEEKLY's material; 95 per cent believe WEEKLY fulfills a need for regular campus communication; and 92 per cent report that information in WEEKLY is often or usually the readership's first notice of campus news.

COLLEGE SPONSORS ITS FIRST NATIONAL FOREIGN LANGUAGE WEEK, APRIL 1-7

The importance, need, and rewards of language study will be stressed on the Plattsburgh State campus during the week of April 1-7 when the College recognizes National Foreign Language Week (NFLW) for the first time. French instructor Jeanne Kissner, who is coordinating the College's NFLW, said that the Department of Foreign Language and Literature will sponsor a number of events, beginning Friday, March 30, emphasizing the study and appreciation of other peoples and cultures.

A Spanish play, *Bodas De Sangre* (Blood Wedding) presented by New York City's Spanish Theatre Repertory Ltd. on Thursday (April 5), will highlight the week's activities, and several foreign films will be shown on campus throughout the week. Poetry recitation in Portuguese by Dr. Thomas Braga, associate professor of French, a Mexican dinner presented by the Quantity Foods Class, and a NFLW exhibit in the library are among other scheduled activities. All events are listed in the WEEKLY calendar.

MAYOR PROCLAIMS 'PLATTSBURGH STATE STUDENTS IN FREE ENTERPRISE WEEK,' APRIL 1-7

Plattsburgh Mayor John Ianelli has proclaimed April 1-7 as "Plattsburgh State Students In Free Enterprise Week" in recognition of marketing majors who have developed a local campaign to promote the positive aspects of the U.S. free enterprise system. The five students, under the advisement of Ms. Nancy Church, instructor of business/economics, have planned the second semester campaign in order to inform people of all ages and social statuses about the advantages of the U.S. economic system. The campaign is supported by a \$1,000 grant from Price Chopper Supermarkets, Schenectady, and is part of a nationwide competition sponsored by the National Leadership Institute of Austin, TX.

Week-long activities include video-tape presentations, a movie and a one-act student play promoting free enterprise that will tour local high schools and organizations. An Easter Egg hunt for children between the ages of three and ten is scheduled for Friday (April 7) at Trinity Park. Campus activities related to free enterprise week include an animated movie-short to be shown prior to the SA sponsored film on Sunday (April 1) at 8 p.m. in Hawkins Hall Large Auditorium and presentations of the one-act student play at the noon performance of Brown Bag Theatre Wednesday (April 4) in Myers Fine Arts Studio Theatre and at Career Night (Thursday, April 5) at 8 p.m. in Ballroom A of the College Center.

BURKE, OTHER PRESIDENTS ASK CONGRESS FOR ADDITIONAL FUNDS

Impending Congressional reauthorization of the Higher Education Act was the focal point of a federal legislative workshop sponsored by the American Association of State Colleges and Universities (AASCU) held March 13-14 in Washington D.C. College President Joseph C. Burke and approximately 80 presidents from state colleges and universities across the country attended the legislative briefing and met with members of the U.S. House of Representatives and the Senate to express their views on student aid, grant programs, institutional aid and other federal policies that Congress will debate this year.

Burke and other delegates requested that Congress restore the National Direct Student Loan Program to the current year's level of \$310.5 million rather than the \$220 million proposed by the Carter Administration. Other issues of concern to Burke and delegates at the meeting included the lack of appropriations for allied health projects, nurses' training programs and college library grants in the Carter Administration 1980 budget. Last May Burke was elected to represent New York members of the AASCU by the presidents of the 14 SUNY Colleges of Arts and Science.

THIS WEEK ON CAMPUS

THURSDAY, MARCH 29

10 am-4 pm — If you've got two more years of college ahead of you, you have the opportunity to enroll in the Army ROTC Two-Year Program. Check out the benefits. A representative from the Army Reserve Officers' Training Corps (ROTC) will be available to talk to those students who would like to learn more. College Center Lobby.

12:15 pm — Behavioral Science Colloquy. Pat Higgins and Faruk Sabet "What's Happening in Iran?" a discussion. Hudson 028.

5:30 pm — Alcohol Awareness Week: RA Inservice Training Session. The question of alcohol and how to deal with alcohol problems. Presented by Bob Holtz and Dave Connors of the Clinton County Alcohol Program. For all returning and new RA's. College Center Ballroom.

5:30 pm — Dinner in Moscow, by Quantity Foods. The menu includes borscht, pirozhki, roast chicken with walnut sauce. Tickets: public \$4.50, students \$4.25 on sale at College Center Desk.

7 pm — Alcohol Awareness Week: "How Do You Cope When a Member of the Family Has a Drinking Problem?" Jean Cordes illustrates how alcoholism is treated as a family or group concern. Open to all. College Center Music Lounge.

FRIDAY, MARCH 30

1, 2:30, 4 & 5:30 pm — Alcohol Awareness Week: Widmer Wine Company presents Wine Tasting Demonstration. 100 people will be admitted to each of four sessions. College Center Ballroom B.

2-5 pm — Opening Reception for Student Art Exhibition of Jewelry, Drawing, and Pottery by David L. Greene and Rachel A. Garrison. Exhibition continues to April 6. College Center Cardinal Lounge.

3:10 pm — Memory Management Techniques. Lecture by Dr. G. G. Rajar from Ball State University. Hudson Hall 104.

7:30 pm — International Film Festival — "The Shadows of Forgotten Ancestors" Russian with English subtitles and "Les Mistons" French film by Truffaut (English s.t.). Open to all. Hawkins Hall Large Auditorium.

SATURDAY, MARCH 31

10 am-5 pm — Assertiveness Training Workshop sponsored by Women Inc. Guest speaker: Nan Gurowitz. Fee \$5.00, students and senior citizens: \$10.00 public. Cardinal Lounge, College Center.

9 pm — Alcohol Awareness Week: Movie "Lost Weekend." Award winning story of a chronic alcoholic, with Ray Milland and Jane Wyman. On Channel 57.

SUNDAY, APRIL 1

Opening Reception of Art Exhibition by Joseph Hennessy: A Sculpture Retrospective. Exhibition continues to April 27. Myers Gallery.

5:30 pm — RA Training Program for RA candidates. College Center Ballroom B.

7 & 9:15 pm — SA Films presents "Coma" open to SA only. Tickets 50¢ at College Center Desk. Hawkins Hall Large Auditorium.

MONDAY, APRIL 2

1-4 pm — JOB FINDERS FILM SERIES — A series of five films entitled "Get That Job" which will be shown continuously and which deals with subjects such as choosing a career, finding leads, and securing and handling the job interview. Open to all. College Center Music Lounge.

3-5 pm — Les Causeries (Informal conversations in French). Open invitation. Myers 232.

4 pm — UUP Chapter Meeting. College Center Cardinal Lounge.

7 pm — National Foreign Language Week Event — "Torero" (Bullfighter) a Spanish film narrated in English. Open to all. CL 206.

TUESDAY, APRIL 3

12 Noon — Tuesday Reflections presents Debby Guibord Dance Co. Open to all. Hartman Theatre.

Interview Training — Plans have been made to allow interested students to participate in practice job interview situations which will be video taped and replayed for critique purposes. Sign up before April 3 at the Placement Office.

3-5 pm — National Foreign Language Week Event — A talk by students of Spanish who recently studied abroad. A poetry recitation in Portuguese and English by Dr. Thomas Braga, with musical accompaniment. Open to all. Myers 204.

7 pm — Anthropology Film Festival: "Kypseh: Men and Women Apart" depicts how Greek villagers divide space, time and activities according to a pattern of separation of the sexes. Open to all. CL 206.

WEDNESDAY, APRIL 4

10 am — MAA Visiting Lecturer in Mathematics. Professor James R. Munkres, MIT, "You Can't Comb The Hair On A Coconut," SC I Room 104.

12 Noon — Brown Bag Theatre. "Buck's Dream." Open to all. Myers Fine Arts Studio.

2:30 pm — National Foreign Language Week Event — "La passion de la Vie" a film in French. Open to all. CL 208.

3 pm — PSUC Jazz Festival. Open to all. College Center Ballrooms.

3 pm — MAA Visiting Lecturer in Mathematics. Professor James R. Munkres, MIT, "The Assignment Problem: Who Should Do Which Job? (elementary operations research)." SC I Room 104.

4 pm — "Women in the Job Market," a workshop by Tom Jackson, an expert on assisting job hunters. Open to SA members only. (Tickets available week of April 2 at College Center Desk.) College Center Music Lounge.

7 pm — Artist Series presents Amy Taubin, filmmaker and critic, who will present a program of experimental films from the University-wide Committee on the Arts. Open to all. CL 208.

8 pm — History Department sponsors a Speaker and Slide Presentation "In the Eye of the Storm: Reports from the War in Southern Africa." Open to all. College Center Music Lounge.

8 pm — Speakers Forum presents Tom Jackson — "Guerilla Tactics in the Job Market." Public \$1.00, SA 50¢. Hawkins Hall Large Auditorium.

THURSDAY, APRIL 5

5:30 pm — The Quantity Foods chefs-par-excellence offer a Mexican dinner in conjunction with the National Foreign Language Week. (Tickets: public \$4.25, students \$4.00. On sale at College Center Desk) Menu includes chili con queso and steak Mexican fashion. Campus School.

7:00 pm — Career Planning and Placement sponsors the SIXTH ANNUAL CAREER NIGHT PROGRAM. All campus members are invited. The program will allow participants to talk with representatives from a wide variety of career fields. College Center Ballroom.

8 pm — Spanish Repertory Company of New York presents "Bodas de Sangre" (Blood Wedding) in Spanish. Tickets: public \$4.00, students \$3.00. Tickets at CVH 307 or call 2833. Hartman Theatre. Student tickets at College Center Desk.

8 pm — SA Concerts presents Dan Fogelberg. Public \$7.50; SA students \$5.00. College Field House.

FRIDAY, APRIL 6

9 am-4 pm — RECRUITMENT — An opportunity for seniors to participate in formal campus interviews with a number of campus recruiting personnel at the Placement Office. Sign-up for interviews begins Friday, March 30.

NOTES

Special tickets are available at the College Center Desk for the Montreal Centaur Theatre performance of "Winter Dancers" on Saturday, April 7 at 2 p.m. Tickets are \$2.50. The Montreal Bus will provide transportation on that date.

The Montreal Bus leaves from Memorial Hall Gym on Saturday, April 7 at 9 am, returns at 6 pm. Tickets are \$4.00, on sale at the College Center Desk.

On Sunday, April 8, two Heritage Restoration films "A Place in Time" and "Stations" will be shown at the Strand Theatre at 1:30 pm. Guest speaker will be Fred Cawley from the League of preservation. Tickets are \$1.50 on sale at the College Center Desk.

Campus Cable 4 schedule of hours: Monday through Thursday 3 pm and 7 pm and Friday at 3 pm. All programming approximately 30 minutes. Programming for March 29-30: Counseling; Quarter-hour News; Budgeting; The Preservation of Plattsburgh; SLR: A Tool for Better Photography. April 2-3: Counseling; Quarter-hour News; Students In Free Enterprise; Buying; The Technological Explosion. April 4: Counseling; Quarter-hour News; Students In Free Enterprise; Children As Learners.

NINE FACULTY RECEIVE SUNY RESEARCH GRANTS TOTALING \$25,243

Nine members of the Plattsburgh State faculty will share more than \$25,000 in Faculty Research Fellowships and Grants-In-Aid awarded by the State University Research Foundation through its annual University Awards program. The grant funding is the largest ever awarded by the SUNY Research Foundation to members of the College's faculty.

Recipients of this year's research awards, their faculty rank and grant titles are: **Dr. Patrick J. Fleury**, associate professor of mathematics, "What Do Infinite Chains Of Rings Mean?"; **Dr. Edwin J. Hamblet**, associate professor of French, "Quebec-Acadie: La Poesie Chantee"; **Dr. Frederick A. Kissner**, associate professor at the Institute for Man and Environment, "Freeze Protection Methods For Solar-Heated Domestic Water"; **Dr. Carol Leonard**, assistant professor of history, "Swords Into Plowshares: Jaroslavl Nobles, 1760-1840"; **Simone Lutz**, instructor at the Educational Research and Demonstration Center, "Children's Art: Developmental Stages of Standardized Ratings"; **Dr. Charles Simpson**, assistant professor of sociology, "Mohawk Collective Identity and Indian Assimilation"; **Dr. Douglas Skopp**, associate professor of history, "Diesterweg, German Educational Reform, and Industry: 1827-1866"; **Dr. Noel Smith**, professor of psychology, "A Social History of Psychology in the Ancient World"; and **Roger Williams**, assistant professor of art, "A Revival of the Vintage Platinum Print Process."

The awards are combination fellowships and grants-in-aid, which help defray special research costs in addition to supporting scholarly activity. This year's SUNY awards involved 308 total grants of all types valued at \$746,884.

DR. HENRIKSEN SELECTED TO RECEIVE PRESTIGIOUS HOOVER FELLOWSHIP

Dr. Thomas Henriksen, associate professor of history at the College and an expert on contemporary African revolution, has been awarded one of 12, year-long National Fellowships to the prestigious Hoover Institution on War, Revolution and Peace at Stanford University, CA. Henriksen was one of six National Fellows chosen from hundreds of applicants for foreign area projects. He will spend a year in residence completing this third book dealing with the 1964-1974 revolution in the Southeast African country of Mozambique. Henriksen recently published a book entitled, "Mozambique: A History," (Rex Collings Publishers, London).

"The faculty extends its congratulations to Dr. Henriksen in being selected for this prestigious honor," commented Dr. Jerome Supple, vice president for academic affairs. "I believe an award such as this not only reflects the accomplishments of one individual, but indicates the general quality of our entire faculty."

A member of the College's faculty since 1969, Henriksen has twice been awarded SUNY Research Foundation Grants and is a former chairperson of the New York African Studies Association.

LOW STUDENT NDSL DEFAULT RATES MAY EARN COLLEGE ADDITIONAL FEDERAL AID

The College's low default rate among students receiving National Direct Student Loans (NDSL) has brought promises from the U.S. Department of Health, Education and Welfare for more basic federal aid for Plattsburgh State undergraduates applying for federal loans. Suzanne Sokolowski, acting director of financial aid, announced that the College has been tentatively promised basic federal aid amounting to \$89,000 for its NDSL program. Last year the College received no basic aid from the federal government although 750 students received NDSL funds.

The promise of NDSL aid for the College came in the face of HEW Secretary Joseph A. Califano's recent announcement that colleges and universities which have continually failed to reduce default rates would be disqualified from the program under new federal regulations. In a March report, Califano stated that some colleges and universities have student NDSL default rates which run as high as 90 per cent. According to Sokolowski, the average default rate among Plattsburgh State students in 1977-78 was a "very respectable" 11 per cent — down two per cent from the year before.

In addition to promises of NDSL assistance, the College has also been earmarked for federal aid for its Supplemental Educational Opportunity and College Work-Study programs. Sokolowski explained that tentative SEOG federal aid would be in the neighborhood of \$81,000 and that promises of \$294,000 for the College Work-Study program will permit the placement of approximately 600 students in on- and off-campus jobs for 1979-80. Presently, nearly 1,460 students receive some sort of aid from the College's NDSL, SEOG and work-study programs.

NEW FACULTY SENATE ORGANIZES; DR. HEMING ELECTED CHAIRPERSON

Dr. Hilton P. Heming, professor of education, was elected chairperson of the Faculty Senate at the Senate's March 27 organizational meeting. Dr. William Graziadei, professor of biology, was elected vice-chairperson of the Senate and Dr. Judith Van Wagner was elected secretary. Elected members of the Senate Executive Committee for the coming year are Dr. Anna Messer and Helen Pianta. University senator Dr. Warren Slocum is also a member of the Executive Committee. Elected members of the Faculty Affairs Committee were Patricia Higgins and Dr. Martin Lubin. Dr. Charles Mitchell was elected chairperson of the Faculty Resources Planning Committee. The Executive Committee will meet in the near future to complete organization of the Senate by making appointments to the various standing committees.

JONES FOUNDATION RENEWS \$15,000 GIFT WITH FOUNDATION

The W. Alton Jones Foundation, for the third consecutive year, has made a \$15,000 donation to the Plattsburgh College Foundation. Of the total, \$5,000 will be used for unrestricted scholarships for undergraduates. The remaining \$10,000 is restricted to underwrite a scholarship for use by a Plattsburgh State student selected to study and perform research at the W. Alton Jones Cell Science Center in Lake Placid.

OIR CHART COMPARES CURRICULUM CHOICES OF FRESHMEN

The College's Office of Institutional Research (OIR) has developed a chart, based on fall 1978 data, which compares the curriculum choices of new freshmen who enrolled at Plattsburgh State last fall with those of freshmen who enrolled in programs at colleges and universities throughout the U.S. The chart, based on a study entitled, "The American Freshman: National Norms for Fall 1978," appears below with figures representing the percentage of new freshmen enrolled in particular academic areas.

Major	All Institutions	Public Institutions Four-Year Colleges	PSUC
¹ Arts and Humanities	9.0%	9.4%	5.8%
Biological Science	4.6	3.9	5.0
Business	23.9	21.1	14.1
Education	8.0	13.6	10.5
Engineering	10.3	10.5	1.4
Physical Science	3.3	3.9	2.6
² Professional	15.4	12.6	19.2
Social Science	7.4	9.0	8.6
Technical	4.5	2.1	
³ Other Fields (General Studies, Canadian Studies, and Environmental Science)	9.0	8.7	13.0
Undecided	4.6	5.3	20.0

¹Arts and Humanities figure (5.8) includes History.

²Professional figure (19.2) includes Home Economics, Health Technology, Nursing and Hearing and Speech Science.

³Other fields figure (13.0) includes Canadian Studies, Communications (mass media), Computer Science, Environmental Science and General Studies.

COLLEGE ENTERS GUARANTEED ADMISSION PROGRAM WITH FULTON-MONTGOMERY CC

Plattsburgh State and Fulton-Montgomery Community College have developed an agreement which guarantees the admission of students who complete the two-year degree program in natural resources conservation at the Johnstown institution to this College's BA major in environmental science.

According to the agreement, Fulton-Montgomery students will be guaranteed admission to Plattsburgh State with junior class standing. Assuming these students maintain good academic standing at Plattsburgh State, they will be able to complete the BA requirements in four semesters.

FIVE PLATTSBURGH ICERS NAMED TO ALL-NYCHA TEAMS; KIMURA SELECTED MVP

Defenseman Doug Kimura, forward Dan Brown and goalie Rick Strack led the list of Cardinal hockey players named to the 1978-79 New York Collegiate Hockey Association's (NYCHA) All-Star Teams. All three players were repeats from last year's first team. Forward Matt Wescott and defenseman Rick Young were selected to the NYCHA Second All-Star Team.

Kimura, who was earlier selected as one of six players to the 1978-79 NCAA Division II Coaches All-America Team, was named NYCHA's Most Valuable Player for 1978-79. Kimura, last year's NYCHA Rookie of the Year, scored 38 points on 13 goals this past year to help the Cardinals to a 26-3 overall record. Brown led the team in scoring this season with 27 goals and 57 points while Strack allowed 3.1 goals per game in his ten appearances. Wescott, named to last year's NYCHA second team, slapped in 49 points this season on 18 goals while freshman Young followed behind Brown in overall scoring with 15 goals and 41 assists for 56 points.

THIS WEEK ON CAMPUS

THURSDAY, APRIL 5

12:15 pm — "Reflections for Tomorrow." This TIAA-CREF 20-minute color film will provide general information about the system with an emphasis on retirement planning. There will be a brief period for discussions following the film. CL 100.

5:30 pm — The Quantity Foods' chefs par excellence offer a Mexican dinner in conjunction with the National Foreign Language Week. Tickets on sale at College Center Desk for dinner at the Campus School.

7:00 pm — Career Planning and Placement sponsors the SIXTH ANNUAL CAREER NIGHT PROGRAM. All campus members are invited. The program will allow participants to talk with representatives from a wide variety of career fields. College Center Ballroom.

8:00 pm — Spanish Repertory Co. of New York presents "Bodas de Sangre" (Blood Wedding) in Spanish. Tickets: public \$4.00, student \$3.00. Tickets at College Center and CVH-307. Hartman Theatre.

8:00 pm — SA Concerts presents Dan Fogelberg. Public \$7.50, students \$5.00. College Field House.

FRIDAY, APRIL 6

9:00 am-4:00 pm — RECRUITMENT — An opportunity for seniors to participate in informal campus interviews with a number of campus recruiting personnel at the Placement Office.

2:00 pm — National Foreign Language Week sponsors two films: "Thomas Mann and the Germans" and "Man and His Dog." Both films are in English. Open to all. CL 202.

3:00 pm — "Reflections for Tomorrow." This TIAA-CREF 20-minute color film will provide general information about the system with an emphasis on retirement planning. There will also be discussion on the topic. CL 100.

SATURDAY, APRIL 7

9:00 am — The Montreal Bus leaves from Memorial Hall Gym. Departs Montreal at 6 pm. Tickets are \$4.00, on sale at the College Center Desk.

10:00 am-2:30 pm — Psi Epsilon Chi — BLOOD DRIVE — Clinton Hall Lounge.

8:00 pm — College Center Coffeehouse. Great live musical entertainment and your favorite delicacies. College Center Ballroom B.

SUNDAY, APRIL 8

11:00 am until 5:00 pm — Annual Indoor Soccer Tournament. Field House. PSUC varsity soccer team vs. Vermont, Potsdam and Cornwall. Total of eight teams participating. Open to the public.

1:30 pm — Two Heritage Restoration films "A Place in Time" and "Stations" will be shown at the Strand Theatre, Brinkerhoff Street. Guest speaker will be Fred Cawley from the League of Preservation. Tickets are \$1.50 on sale at the College Center Desk.

4:00 pm — Tour Guide meeting. College Center Cardinal Lounge.

5:30 pm — Training Program for RA candidates. College Center Ballroom.

7:00 pm — SA Films: "Live and Let Die" and "Diamonds are Forever." 50¢, SA members only. Hawkins Hall Large Auditorium.

MONDAY, APRIL 9

Noon — Robin Brown will talk about the Kent Gallery exhibit "Turn of the Century Photographs in Plattsburgh." Open to all. CL 205.

TUESDAY, APRIL 10

Noon & 5:30 pm — AVANT GARDE FILM SERIES: "Cabinet of Dr. Caligari," "Expressionism," "Fauvism," "Matisse and the Fauves," "Edvard Munch: Paintings," "Matisse — A sort of Paradise." Open to all. College Center Music Lounge.

4:00 pm — Tuesday Reflections "Religion, Man, Ritual, and Experience." A panel discussion with David Mowry, moderator and Charles Dreca, James Mapstone, Richard Robbins, Ed Schaffer, Doug Skopp, and Ann Zilinski. College Center Cardinal Lounge.

8:00 pm — Flute Recital by Caren Wolfer. Open to all. College Center Cardinal Lounge.

7:00 pm — Anthropology Film Festival — "Buried Cities" describes the uncovering of Pompeii and Herculaneum; and "We Believe in Nino Fidenicia" shows a pilgrimage center in Mexico which is dedicated to a folk healer. Open to all. CL 206.

7:30 pm — Kappa Delta Pi presents "The Quiet One" — Award Winning film — open to all. College Center Ballroom B.

WEDNESDAY, APRIL 11

Noon & 5:30 pm — AVANT GARDE FILM SERIES: "Cabinet of Dr. Caligari," "Expressionism," "Fauvism," "Matisse and the Fauves," "Edvard Munch: Paintings," "Matisse — A Sort of Paradise." Open to all. College Center Music Lounge.

Noon — What are you doing for lunch? BROWN BAG THEATRE presents "The Collection" by Pinter. Myers Studio theatre.

THURSDAY, APRIL 12

1:15 pm — Canadian Studies Center presents Dr. Jean-Louis Roy, Professor of History, McGill University — "A History of French-Canada." Open to all. Hawkins 159.

5:30 pm — Quantity Foods presents A Jewish Dinner. Menu includes chicken soup with farfel, matzo meal muffins and roast chicken. Public \$4.50, students \$4.25. Tickets at College Center Desk. Campus School Cafeteria.

NOTES

Special tickets are available at the College Center Desk for the Montreal Centaur Theatre performance of "Winter Dancers" on Saturday, April 7 at 2 p.m. Tickets are \$2.50. The Montreal Bus will provide transportation on that date.

Continuing Art Exhibitions:

Until April 11 — Three Artists in Two Dimensions by Alyce Ashe, Wing Crawford, Michael McLean. Myers Lobby.

Until April 27 — Joseph Hennessy — Twenty-Fifth Anniversary Exhibition 1954-1979. Myers Fine Arts Gallery.

Until April 28 — "Turn of the Century Photographs in Plattsburgh." Rockwell Kent Gallery.

The deadline for male tutor-counselor candidates with the Upward Bound Program has been extended through Tuesday, April 10. Applications in or after that date will not be considered. Apply at the Upward Bound Office, Kehoe Administration Building, Room 201.

Campus Cable 4 schedule of hours: Monday through Thursday 3 pm and 7 pm and Friday at 3 pm. All programming approximately 30 minutes. Programming for April 5-6: Counseling; Quarter Hour News; Trade and the Dollar; Counseling; Quarter Hour News; Trade and the Dollar; Counseling; Quarter Hour News; Students in Free Enterprise Buying. April 9: Counseling; Quarter Hour News; Red Grooms; Counseling; Quarter Hour News; Red Grooms. April 10: Counseling; Quarter Hour News; NATO and the Russians; Counseling; Quarter Hour News; NATO and the Russians. April 11: Counseling; Quarter Hour News; Counseling; Quarter Hour News; Settings; Learning Environment.

TAC SAVES OR CREATES 936 JOBS IN 1978

According to a report released recently by the Economic Development Administration, U.S. Department of Commerce, the Technical Assistance Center at Plattsburgh State was responsible for creating 596 new jobs and saving another 340 in its 16-county service area of New York State during the 1978 report year. TAC's successful procurement of a \$950,000 Farmers Home Administration loan guarantee for a Montreal-based company and its assistance to the City of Utica in securing a \$1,139,000 urban development grant highlight the annual report.

The report notes that TAC last year spent a substantial portion of staff time devoted to new ventures in hopes of creating more jobs in its service area. Actual figures indicate that TAC developed nearly 2,900 jobs during 1978. Project work producing potential jobs included development of a business assistance program for a regional craft organization and continued work on the Olympic Training Center project at Lake Placid. The Center estimated that growth in payroll in the TAC area in 1978 was approximately 6.2 per cent.

Included in the 1978 annual report were several letters of recommendation commending TAC's efforts in creating employment in its service area. Mrs. Maurice T. Moore, former chairman of the State University Board of Trustees, wrote: "At a time when many of us are discouraged about the employment situation in general, and the problems of New York State in particular, TAC has brought a breath of fresh air — and a sense of pride in Plattsburgh State for generating the freshness. The concrete examples that TAC has given proves to the Trustees that this is the direction in which the whole University should be moving. TAC has made it quite clear that each campus could make a vital contribution to its own area through enthusiastic and creative thinking."

COLLEGE HIRES RECRUITER FOR OLYMPIC VOLUNTEERS

A campus official who will work closely with the Lake Placid Organizing Committee (LPOOC) in recruiting student volunteers for the 1980 Winter Games has been hired by the College's Vice President for Student Affairs Office under CETA funding. Bette Simonowitz has been selected to serve in that capacity with an office located in Room 212 of the Kehoe Administration Building. Simonowitz will be in charge of handling all applications and conducting interviews with Plattsburgh State students interested in volunteering their services for next February's Games in Lake Placid. It will be her responsibility to see that requested information about each student volunteer is obtained and relayed to the proper officials in Lake Placid.

Since assuming the new position, Simonowitz has met with Lake Placid officials on the present status of selecting volunteers for the Winter Games. Although the LPOOC is uncertain as to the number of area volunteers who will be working at the Games, Simonowitz explained that people will be needed in the areas of transportation, press and communications, art and culture and food service. "Lake Placid officials have expressed a deep interest in students who are bilingual or multilingual," Simonowitz said. "All volunteers will be provided with transportation, meals, uniforms and free access to events."

Students interested in serving as Olympic volunteers are asked to either come in or call Simonowitz's office (564-2120) to arrange for an appointment.

YALE UNIVERSITY PRESS AGREES TO PUBLISH 1978 HUDSON SYMPOSIUM PAPERS

Yale University Press has agreed to publish a book on last spring's Hudson Symposium regarding population regulation. Co-directors of the campus symposium, Drs. Mark Cohen, anthropology; Harold Klein, biology; and Roy Malpass, behavioral science; have been contracted to edit and contribute research materials presented during the conference, which was attended by leading biologists, anthropologists and social psychologists. The finished edition from Yale Press will be entitled, "Biosocial Mechanisms of Population Regulation." Dr. G. Evelyn Hutchinson, Yale professor-emeritus and one of the nation's leading ecologists, has agreed to write the preface for the book.

Last spring's Hudson Symposium, dealing with the question of whether social behavior plays a part in regulating the density of animal and human populations, was the first conducted which cut across several academic disciplines. The symposium was sponsored by the Student Association, the College's Faculty of Arts and Science and the Wenner Gren Foundation for Anthropological Research.

'GET THE RIGHT PERSON FOR THE JOB,' TOPIC OF NEW BOOK BY DRS. MEYER, DONAHO

Meyer

Donaho

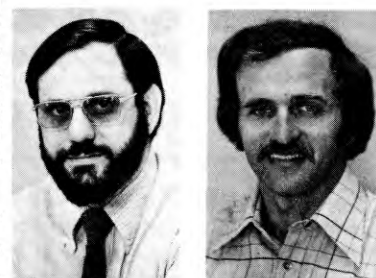

Looking at today's job market from the employer's side of the desk is the topic of a new Prentice-hall book, "Get the Right Person For The Job," published by College faculty members Drs. John Meyer and Melvin Donaho.

The co-authors' newest publication follows their successful-selling 1976 book, "How To Get The Job You Want," a practical manual outlining job-hunting strategies for career-seekers which has sold more than 30,000 copies. Meyer, senior author of the latest venture, describes the second book as "valuable to the employer who wants to know how to cover the entire job applicant selection process from advertising and interviewing through choosing and orienting the new employee." The new book includes techniques employers can use in hiring people in most types of businesses from entry level to top management. Practical tips for attracting, screening, evaluating and encouraging applicants are covered in the 16-chapter publication.

COLLEGE'S UNDECLARED ADVISEMENT PROGRAM BEING RECOGNIZED BY PROFESSIONALS IN THE FIELD

An advisement program conducted successfully with 200 of the College's undeclared majors during last summer's orientation for new students has met with positive response by participants from the 1978 freshman class and by college academic advisers throughout the country. The new advisement program, developed by Coordinator of Academic Advisement Thomas Corigliano and Dr. Paul Morocco, coordinator of psychological services, is designed to present a concept to entering freshmen that being "undeclared" is normal and developmental, and to establish a framework for students to work in while making decisions about their academic major.

The Self Directed Search, an interest inventory test developed by Dr. John L. Holland of John Hopkins University, is used in conjunction with a decision making process to help students identify their basic personality types and then relate them to academic disciplines which correlate with careers of professionals whose personality traits correspond.

Corigliano

Morocco

Feedback to the undeclared advisement program, according to Corigliano and Morocco, has been favorable from professionals in the field. The College's undeclared advisement program has been presented by both men at the Second National Conference on Academic Advisement in Memphis, TN., and by Corigliano at the University of Connecticut. The American College Testing Program has published the Corigliano and Morocco program in the 1979-80 Academic Advisement Manual which is being distributed at national conferences and regional workshops.

FORENSIC TEAM FALLS SHORT OF THIRD STRAIGHT STATE TITLE

The Plattsburgh State Forensic Team's hopes of being the first squad in more than 30 years to capture three consecutive state titles were thwarted this past weekend when the debaters were defeated by St. John's University in the third and final round of state competition. Plattsburgh entered the tournament with a 20 point lead for the overall state championship, but dropped to second place when St. John's outscored them in the weekend's competition. West Point Military Academy finished third overall, 33 points behind Plattsburgh. Senior Chris Sadler of Gouverneur has been named the state's best all-round speaker, and debaters Kim Turner, a junior from Rochester, and senior John Bonanno of West Nyack, captured sixth and eighth award in debate, respectively.

DR. WATERMEIER TO TEACH LAKE PLACID SUMMER COURSE; FOUNDATION RECEIVES \$1,000 GIFT IN RETURN

Dr. Daniel Watermeier, professor of theatre, will teach a course in Contemporary History of Theatre and Drama during the summer months at the Lake Placid Center for Music, Drama and Art through an agreement between that Association and the College's Theatre Department. Students enrolled in the course will pay tuition and fees appropriate for the College's 1979 summer session. In return the Lake Placid Association has agreed to make a \$1,000 contribution to the Plattsburgh College Foundation.

BATTER UP! 2,200 STUDENTS SIGN-UP FOR SPRING SOFTBALL

April's unseasonable weather has not dampened the spirits of students signing up for the campus' favorite intramural spring sport — softball. Leith Bardon, faculty coordinator of intramurals, announced that a record number of more than 2,200 men and women students have signed up for the four-week softball season. Beginning last Wednesday (April 4) 151 teams — 100 men's and 51 women's — had been organized to play in the round-robin competition. Bardon also explained that co-ed inner tube water polo, introduced for the first time this semester, has attracted 268 men and women participants. Competition among the 21 water polo teams will continue through the end of this month.

THIS WEEK ON CAMPUS

THURSDAY, APRIL 12

12:15 pm — Behavioral Science Colloquy — Richard Wunderlich "On Prolonging Fantasy: Contemporary Children's Literature vs. Grimm's Fairy Tales." Hudson 028.

1:15 pm — Canadian Studies Center presents Dr. Jean-Louis Roy, Professor of History, McGill University — "History of French-Canada." Open to all. Hawkins 159.

4:10 pm — Biology Seminar — Kathleen M. Nichols — "Control of the Motility of Cellular Flagella." Beaumont 205 (Reading Room).

5:30 pm — Quantity Foods presents A Jewish Dinner. Menu includes chicken soup with farfel, matzo meal muffins, and roast chicken. Public \$4.50, students \$4.25. Tickets at College Center Desk. Campus School Cafetorium.

FRIDAY, APRIL 13

NO CLASSES

SUNDAY, APRIL 15

HAPPY EASTER!

MONDAY, APRIL 16

NO CLASSES

Begin making appointments for Cardinal Yearbook portraits. Portraits will be taken beginning April 23 between the hours of 9 am - 12 noon and 1 - 4 pm in the College Center Room 6. Appointments may be scheduled beginning today at the College Center Desk. Make your appointment early so that you may have your choice of time.

TUESDAY, APRIL 17

4 pm — The PSUC Economics Honor Society will meet in the College Center Meeting Room 2. Agenda will center around the upcoming dinner. Attendance mandatory for all new and uninitiated members.

4-7 pm 8 Opening Reception for Student Art Exhibition of Painting and Drawings. Exhibition continues to April 27, College Center Cardinal Lounge.

6 pm 8 Admissions Tour Guide Meeting. Open to anyone interested in being a tour guide for Spring Open House. College Center Music Lounge.

7 pm — Anthropology Film Festival presents "The Bushmen of the Kalahari." Shows the people of the African desert after they had been forced to give up their hunting and gathering life for that of herding. Yokum Communication Lecture Hall Room 206.

7:30 pm — Special Olympics Committee Recruitment of Volunteers. Open to all. College Center Ballroom A.

8 pm — Chamber Music Concert. Members of the Champlain Trio with guest artists. Hawkins Hall Large Auditorium.

WEDNESDAY, APRIL 18

11 am — Students Nurses' Association Junior Class Meeting. College Center Music Lounge.

6 pm — Admissions Tour Guide Meeting. Open to anyone interested in being a tour guide for Spring Open House. College Center Cardinal Lounge.

THURSDAY, APRIL 19

2 pm — Speakers Forum presents Bob Fellows and his Magic Show. Tickets free at College Center for SA members with ID. College Center Music Lounge.

5:30 pm — RA Training Program for RA trainees. College Center Ballroom B.

8 pm — Magic Show and Comedian presented by Speakers Forum. Sa \$1.00, public \$1.50, Non-SA students \$1.25. Tickets at College Center Desk and door. Hawkins Hall Large Auditorium.

FRIDAY, APRIL 20

Third Annual Environmental Action Festival: "Toward Tomorrow" in the College Center.

9 pm — Bands in the Pub presents a Friday evening PUB Concert. 25¢ tickets at College Center Desk.

NOTES

Continuing Art Exhibitions

Until April 27 — Joseph Hennessy — Twenty-Fifth Anniversary Exhibition 1954-1979. Myers Fine Arts Gallery. Also Student Art Exhibition. College Center Cardinal Lounge.

Until April 28 — "Turn of the Century Photographs in Plattsburgh." Rockwell Kent Gallery.

On Monday, April 16, at the State University of New York at Farmingdale, the SUNY Student Assembly Women's Caucus will be holding an "Assertive Women's Day" Conference. The conference will be a one-day affair to be held in the Little Theatre at the Roosevelt Hall beginning at 9:30 a. and concluding at 8:30 pm. A free \$6 luncheon will be served. Workshops will be run by National Congress Women, Women from the National Women's Political Caucus, and SUNY Women Employees.

Free to SUNY students, administration, faculty, and staff, reservations on a first-come, first-serve basis.

The Library will be open during usual hours on Friday, April 13 and Monday, April 16 but closed on Saturday and Sunday.

The Admissions Office is presently recruiting student or professional staff tour guides who would like to volunteer for Open House on April 21. Information regarding tours can be obtained from the Admissions Office (2040) or at the organizational meetings on April 17 and 18 from 6-7 pm in the College Center.

Campus Cable 4 schedule of hours: Monday through Thursday 3 pm and 7 pm and Friday at 3 pm. All programming approximately 30 minutes. Programming for april 12: Counseling Lesson; Quarter Hour News; Dealing with China. April 18: Counseling Lesson; Quarter Hour News; Fall, a film by Tom DeWitt; Counseling Lesson; Quarter Hours News; Story Telling.

OPEN HOUSE SET FOR SATURDAY; 1,000 VISITORS EXPECTED

An estimated 1,000 prospective students and their parents are expected to visit the College during Saturday's Campus/Community Open House. Saturday's large turnout will represent a portion of the more than 8,000 applications from prospective students seeking admission to the College next fall. The Open House General Session with students and parents has been scheduled in the College Center Ballroom in order to accommodate the expected large crowd. Addressing the Open House participants will be Plattsburgh Mayor John I. Ianelli; College President Joseph C. Burke; Student Association President Sarah Connair; Alumni Association President Bill Wood; and Chairperson of the College Council, Mrs. Judith L. Duken.

The purpose of the all-day program is to acquaint prospective students with the campus; the College's faculty, staff and students; academic opportunities and extracurricular life at Plattsburgh State; and with admissions and financial aid programs and procedures. Campus tours will be conducted by student volunteers, and members of the faculty will be in attendance to discuss academic programs. Directors of the Open House commented that Saturday's activities will follow closely last year's successful event.

NUCLEAR RESEARCH DIRECTOR TO VISIT CAMPUS THIS WEEKEND

Dr. James Benson, director of the National Nuclear Research Institute in Washington, D.C., heads a list of participants in the fields of energy, conservation, music, and arts and crafts who will attend the Plattsburgh State Environmental Action Committee's Second Annual "Toward Tomorrow Festival," Friday through Sunday, April 20-22, on the College campus. Displays and demonstrations on future energy alternatives, paper recycling, and presentations featuring country music and crafts will be featured in the festival's activities.

An exhibit of solar collectors and wind mills will be presented by the Great New England Energy Show, Brattleboro, VT., as part of the weekend's Crafts, Arts and Science Festival scheduled for Saturday in the College Center Courtyard. Benson along with Dr. Y. Speck, United Nations Energy Specialist and Dr. Eugene Link, professor emeritus of history here, will lead a current issues forum on Saturday evening from 8 until 11 p.m. in the College Center Cardinal Lounge.

Stephen Iacketta, director of this year's festival, explained that the entire weekend is the culmination of the College's Environmental Awareness Group's work in the community. "We want to raise public awareness on how we can all work together in preserving our natural resources for a better tomorrow," Iacketta explained. "It's an invitation to the entire North Country area to share in a weekend of music and fun, coupled with our theme of the importance of conservation and preservation for our future survival."

The festival's series of events will all be held in the College Center. The calendar in this issue of WEEKLY has complete details of the weekend.

STUDENT ASSOCIATION PRESIDENT SARAH CONNAIR RESIGNS, EFFECTIVE SEPT. 1

Connair

Stewart

Student Association President Sarah Connair announced her resignation at Tuesday night's (April 17) SA Student Senate meeting, effective September 1. Connair, elected to the post last December in a four-candidate race, stated that a change in graduation plans and personal reasons resulted in her decision to step down as SA president. Connair plans to graduate next month with a degree in general studies.

Kevin Stewart, a senior mass media major from Stony Point, will assume the SA presidency. Stewart is presently SA Executive Vice-President, a position he won uncontested last December. "Sarah's work with the SA over the past few years has been invaluable and it is unfortunate that she is leaving," Stewart said. "I will try to continue to refine the SA and make it representative of student interests, along with establishing it on a firmer financial base."

The SA Office has announced that a special student election for a new executive vice president will be held on Tuesday, May 1. Interested candidates can pick up a petition in the SA Office. Deadline for submitting petitions will be 4 p.m. Wednesday, April 25.

ENERGY COMMITTEE SEEKS CAMPUS-WIDE COOPERATION

The Campus Energy Committee has launched a two-pronged approach to gather information from members of the College community that could lead to greater conservation of fuel oil and electricity.

In the next few days, all constituents within the College can expect to receive a memorandum from the Committee requesting them to identify campus areas familiar to them — offices, classrooms, residence halls, labs and studios — where waste is occurring. Simultaneously, the Committee will be conducting a random survey of campus people in an attempt to determine, via questionnaire, "a realistic approach to energy conservation" on campus.

At a recent meeting, the Committee membership heard a report comparing energy consumption figures for the month of February in both 1978 and 1979. Although this past February was eight per cent colder than the 28-day period of 1978, the College used only 7 per cent more fuel oil and 5.5 per cent more electricity. However, it was reported also that total energy consumption on campus was running 5.13 per cent ahead of fiscal 1978 through February of 1979. This converts to approximately 3,000 additional barrels of oil required to meet the energy demand.

PRESIDENT BURKE APPROVES SENATE RECOMMENDATION FOR UNDERGRADUATE MINOR PROGRAMS

President Joseph C. Burke last week approved a Faculty Senate recommendation allowing undergraduates to enroll in a minor program as an option, and to have the program recorded on their permanent transcripts. The Senate recommendation, approved at their 1979-80 organizational meeting (March 27), allows students to enroll in a minor program consisting of a minimum of 18 credit hours and a maximum of 24. According to the Senate's approved recommendation, minor programs can be proposed by faculty members in either an existing major program or in an area not currently available — subject to approval by the Faculty Senate. For minors in which there is an existing major, students will be required to have the approval of the department chairpersons or the coordinators of both academic programs. In the case of minors for which there is no corresponding program, the faculty proposing the minor must designate a person to act as coordinator.

DR. MALPASS SELECTED BOOK REVIEW EDITOR OF INTERNATIONAL JOURNAL

Dr. Roy Malpass, associate professor of behavioral science, has been selected book review editor of the "Journal of Cross-Cultural Psychology," an international quarterly publication for professional psychologists in the field. A member of the College faculty since 1973, Malpass was recently re-elected treasurer of the International Association of Applied Psychology (IAAP). He is an expert in the area of interpersonal/intergroup conflicts and his investigation of cross-culture focuses on the psychic unity of all mankind. This summer Malpass will direct a symposium entitled, "Current Trends in the Theory and Research Related to Cross-Cultural Study of Organizations," at the Annual Meeting of the Academy of Management in Atlanta, GA. The prestigious Academy is comprised of professionals in the fields of business management and organizational psychology and sociology.

PRESIDENT BURKE WILL SERVE ON AASCU FIVE-PERSON EXECUTIVE COMMITTEE

President Joseph C. Burke was selected to serve on the executive committee of the American Association of State Colleges and Universities' National Council of State Representatives during the Association's recent Annual Legislative Workshop, held in Washington. Burke is one of five college and university presidents from throughout the country who will serve on the committee which will represent the national council of state representatives in regular meetings with the Washington D.C.-based AASCU staff and board. AASCU members of the committee will address higher education issues concerning student aid, grant programs, institutional aid and other federal policies that Congress will debate this year.

Programming for April 19: Counseling Lesson; Quarter Hour News; U.S. and Latin America. April 20: Counseling; Quarter Hour News; Fall: A film by Tom DeWitt. April 23: Counseling; Quarter Hour News; Town and Country. April 24: Counseling; Quarter Hour News; Black Africa. April 25: Counseling; Quarter Hour News; Town and Country; Learning Centers; Group Communication.

CAMPUS MEAL PLAN INCREASED FIVE PER CENT, EFFECTIVE THIS FALL

Plattsburgh State's Auxiliary Services' (CAS) Executive Committee has approved an increase in the 1979-80 dining rates, effective this fall semester.

Upon the recommendation of the Student Dining Advisory Committee, the new meal rates on campus will represent an approximate five per cent increase for the upcoming school year. The 19 meal-a-week plan will be increased from \$830.00 per year to \$870.00, and students in the 12 meal plan will pay \$798.00 — an increase of \$43.00 over last year.

Stanley Supinski, executive director of CAS, explained that the increase was necessary in order to combat double digit inflation and the .45¢ per hour federal minimum wage increase to be enacted for all food service employees by January 1980. Coupled with these two major contributing factors is an increase in the number of uncontrollable operating expenses as well. Supinski cited that the food services rubbish removal costs will increase nearly \$8,000 this fiscal year.

"Initially, the CAS Executive Committee projected a \$55.00 price hike to the Student Dining Advisory Committee with a list of 16 specific proposals that would almost eliminate a need for an increase," Supinski said.

However, the Advisory Committee felt a number of the proposals were unacceptable and opted to do the following:

- reduce the serving of breakfast meat to four times a week;
- ice cream will continue to be served four times a week but once a week it will be the only choice of dessert;
- reduce the number of dessert choices from five to three;
- close the College Center Cafeteria at 2:00 p.m. everyday; and
- reduce lunch vegetables from two choices to one.

The above proposals helped to reduce the projected CAS meal rate increase by \$15.00. Supinski also noted that the increase could have been considerably more had the 1979-80 school year calendar not been reduced by eight and one-third feeding days.

In addition, the Advisory Committee recommended an increase in the cash equivalency of the meal card for students choosing to eat at the College Snack Bar and Cafeteria. Effective fall semester, the meal card will be worth \$1.25 for breakfast, \$2.00 for lunch and \$2.75 for dinner.

Supinski emphasized that even with the approved increase the College still remained approximately \$35.00 below the average rate students pay for meals at other State University units.

COLLEGE'S SUMMER YOUTH SPORTS PROGRAM RANKS NO. 1 IN NATION

The College's National Youth Sports Program (NYSP) was rated as 1978's number one rural program by the National Collegiate Athletic Association, one of the co-sponsors of the nationwide summer sports activity for young people between the ages of 10-18 years. Dr. Ernest Rangazas, chairperson of health, physical education and recreation and local NYSP project administrator, reported that the College's program was one of 139 evaluated nationwide by the NCAA. Among that total, 40 programs offered by colleges and universities are classified in a rural setting.

The College's five-week summer program, now being planned for the third consecutive year, incorporates instruction and competition in 14 sports, plus an enrichment program, special events and field trips for nearly 250 underprivileged children in Clinton County. The NCAA conducts its evaluations on individual programs on the basis of the project's organization, staff, activities, summer schedule and medical services. The NCAA, recognizing the success of last summer's program, invited Rangazas to chair a workshop on rural youth sports programs at the NYSP's National Conference this week in Los Angeles. Rangazas and his NYSP staff are currently in the process of identifying Clinton County students who will be eligible to qualify for this summer's NYSP project.

STUDENT RADIO STATION GRANTED FM LICENSING

The Federal Communications Commission's approval this month of program test authority for student radio station WPLT will allow the station to switch to FM frequency this Friday at 4 p.m. Charles Koch, the station's student general manager, announced that the 12-year-old station is officially licensed with ten watts of broadcasting power located at the 91.1 megahertz frequency. Last spring the station was granted an FCC permit to construct a broadcast tower atop the Kehoe Administration Building. The main station itself is located on the second floor of Macdonough Residence Hall.

According to Koch, WPLT-FM programming will feature light entertainment music, radio drama, comedy, public affairs and public service announcement programming, religious programming and ABC Network FM News. The station will be owned and licensed by the State University Board of Trustees and supported financially by the College's Student Association.

CANADIAN GOVERNMENT AWARDS COLLEGE \$11,700 GRANT

Recognizing the success of a recently published Canadian Studies high school curriculum guide developed by the Plattsburgh State Center for the Study of Canada, that nation's Department of External Affairs has awarded the College an \$11,700 grant to produce a similar guide for the intermediate grade levels in New York State schools. The grant will fund a two-year project in which a select group of the College's faculty members, state educators, local classroom teachers and officials from the Canadian Consulate will meet on the Plattsburgh State campus to develop a draft of the guide in time for state-wide field testing this fall. Dr. Richard Beach, director of the College's Center for the Study of Canada and project director of the high school curriculum guide, explained that the New York State Education Department has already agreed to publish and distribute the syllabus portion of the new guide. The Center will make available to New York teachers a resource guide and a graphics supplement to accompany the syllabus.

FOURTEENTH ANNUAL ACROTHEATRE BEGINS THREE-DAY PERFORMANCE THURSDAY

Twenty acts and a cast of more than 75 area gymnasts will be featured in the 14th annual spring performance of Acrotheatre at Memorial Hall Gymnasium in shows Thursday, Friday and Saturday (April 26-28) at 8:30 p.m. The one and one-half hour presentations will incorporate acrobatics, gymnastics, adagio and modern dance set to music and accented by special stage lighting and costuming effects. Erwin "Bud" Beyer, associate professor of physical education and originator and director of the College's Acrotheatre program for the past 14 years, has turned over the entire direction of this spring's show to his staff of student assistants. Featured presentations will include a double trampoline act and an individual trampoline routine silhouetted in black light. Participants will include Plattsburgh State students, members of the College's continuing education program, Air Force Base personnel and students from local elementary and high schools. Tickets for the Thursday, Friday and Saturday shows may be purchased in advance at the main desk in the Plattsburgh State College Center, or at the door on the evening of the performance. Prices are 50 cents for Plattsburgh State students, 75 cents for other students under 18 and \$2.00 for adults.

'CAN'T STOP DANCIN' FOR MD MARATHON STARTS FRIDAY

A balloon launch at 4 p.m. today in front of the College Center will start the activities for the fourth annual 48-hour "Can't Stop Dancin'" marathon which begins at 8 p.m. Friday, April 27, at the College Center Ballroom. Proceeds from the dance marathon generated by sponsorship of the 28 dance couples, donations, and admission fee, beer sales, and several events taking place during the weekend, will benefit the fight against Muscular Dystrophy in the North Country area. Last year's 13-couple marathon, netted more than \$4,300 for the muscular dystrophy fund. Three bands will provide live music for the actual 36 hours of dancing. First place marathon dancers (the couple that completes the marathon and generates the most sponsor support) will share a \$400 scholarship provided by the College's Alumni Association, and second place finishers will share a \$100 savings bond provided by Plattsburgh Distributing Co., Inc.

In addition to the dance competition, the weekend will feature contests for the spectator in beer drinking, pie-in-the-face throwing, and "anything goes." A scavenger hunt, a Saturday evening toga party, a casino night, and several other activities are also expected to highlight his weekend-long event. Admission at the door will be 50 cents per person.

OPEN HOUSE PROGRAM RECEIVES HIGH MARKS

More than 1,000 prospective students and their parents turned out for Saturday's Open House activities representing an overflow crowd for the second consecutive year. Visitors invited to summarize their impressions of the campus gave the College high commendations for the event's overall programming. Typical among the comments received in writing on evaluation forms provided were these: "Plattsburgh State's people, services and facilities made a tremendous impression... the Open House will be an important factor in considering whether to attend the College." "Student tour guides were informative and candid... (they are) your best recruiters in portraying the College." Campus tours and programs were well-organized... (they) provided an overall view of academic and residence life."

CORRECTIONS

In last week's WEEKLY article pertaining to Dr. Roy Malpass' recent selection as book review editor, we erroneously reported him as being re-elected treasurer of the International Association of Applied Psychology (IAPP) instead of the International Association of Cross-Cultural Psychology (IACCP). We also erroneously listed Dr. Malpass as director of a summer symposium included in the annual meeting of the Academy of Management. Dr. Malpass will serve as a symposium discussant. We sincerely regret these errors.

THIS WEEK ON CAMPUS

THURSDAY, APRIL 26

10 am-noon and 1-3 pm — Weaving Workshop by visiting artist Nell Znamierowski. Open to all. College Center Ballroom B.

3:30 pm — Mrs. F.P. Parent, Assistant Director of Nursing at Roswell Park Memorial Institute will present a film and information session on opportunities in nursing at her institution. All nursing major undergraduates and seniors are invited. College Center Music Lounge.

5:30 pm — Quantity Foods presents The Red Dragon, an evening of Chinese cuisine. Tickets on sale at College Center Main Desk. Public \$4.50, student \$4.25, children \$3.75 (under 12). Sibley School Cafeteria.

May 2: Counseling; Quarter Hour News; Equality Under Law; Discipline; Different Ways of Living.

MOYNIHAN WILL RECEIVE DISTINGUISHED SERVICE AWARD

U.S. Senator Daniel Patrick Moynihan (D-NY) will receive the College's highest award — the Distinguished Service Award (DSA) — during commencement ceremonies May 20 at the Field House. Moynihan will be the featured speaker at the College's 89th commencement. The award, to be presented on behalf of the College Council by President Burke, will cite Moynihan for "distinguished service to his country and its people as U.S. Senator, as a consultant to and Member of the Cabinet of four presidents of the United States, as Ambassador to India and as U.S. Representative to the United Nations; and his achievements as a scholar; and by his numerous published works in the fields of government, educational opportunity and social reform."

A Fulbright Fellow at the London School of Economics, Moynihan has served on the faculty of the Massachusetts Institute of Technology, Harvard University and the John F. Kennedy School of Government. Presently, his Senate committee assignments are Finance; Environment and Public Works; and the Select Committee on Intelligence. He is Chairman of the Subcommittee on Public Assistance of the Finance Committee. He was elected to his six-year Senate term in November 1976.

Previous DSA recipients have included the late U.S. Senator Robert F. Kennedy, former ABC news correspondent John Scali, and the former and current State University of New York Chancellors, Ernest L. Boyer and Clifton R. Wharton, Jr., respectively.

FINALISTS SELECTED FOR DEAN OF ARTS AND SCIENCE POSITION

The College's search committee to fill the position of dean of arts and science has selected five finalists — including two College faculty members — for personal interviews to be held on campus over the next few weeks. The five candidates, their areas of academic specialty and the college and universities where they are now employed are: Dr. Maria Falco, political science, University of Tulsa; Dr. H.Z. Liu, biology, Plattsburgh State; Dr. Richard Robbins, anthropology, Plattsburgh State; Dr. Charles Warren, biology, Southwestern at Memphis; and Dr. Karl Webb, German, University of Houston. Schedules of interview dates and times and vita summaries on each candidate will be distributed to all faculty through the campus mail. Complete files on each are available in the Office of the Academic Vice President, Kehoe 313.

STUDENTS CONTRIBUTE MORE THAN \$10,500 TO LOCAL CHARITIES DURING APRIL

Three local non-profit organizations benefitted in the amount of \$10,504 in charitable contributions from students and campus organizations that either directed or helped coordinate various fund-raising events last month.

Psi Epsilon Chi Fraternity's April 21 Bike-A-Thon for the American Cancer Society attracted 282 riders in the towns of Plattsburgh, Champlain, Peru and Saranac and collected \$6,034.42 in pledges. The pledges collected in the fraternity's seventh annual fund-raising event added to the more than \$60,000 the Brothers have already raised in previous bike-a-thons for the local cancer society chapter.

Seventeen couples who completed last weekend's dance marathon for the benefit of the Muscular Dystrophy Association collected \$4,100 in donations and gate receipts. First place winners, with more than \$700 in pledges from their sponsors, were local high school students Susan Trombly and Roy Fountain. Second place finishers were Plattsburgh State students Linda Gallagher (Pine Bush) and Steve Carlic (South Schodack). Gallagher and Carlic will share a \$400 Alumni Association scholarship.

Some 170 runners turned out for the first ever "Fund Run" to benefit the local Special Olympics for the Mentally Retarded. Proceeds from the run, sponsored by deFredenburg Residence Hall and the Off-Campus Programming Committee, amounted to \$370.25.

MARKETING STUDENTS EAST COAST WINNERS IN FREE ENTERPRISE COMPETITION

Five marketing students who designed a long-range local campaign to promote the positive aspects of the U.S. free enterprise system won first place honors among students from ten schools in New York and New Jersey in East Coast regional competition held last week in Long Island. The campaign was part of a nationwide competition sponsored by the National Leadership Institute in Austin, TX. Plattsburgh's team, the first-ever to represent the College in this particular event, defeated Alfred University, RIT, Siena College, St. John's, and several New Jersey institutions for top honors. The first place award entitles the five students to enter their project in national competition in Houston, TX., July 15-17.

The five students, under the advisement of Ms. Nancy Church, instructor of business/economics, devised a winter and spring campaign to inform area publics, school children and businessmen of the advantages of the free enterprise system. The project included a wide-scale mass media campaign, video-tape presentation, a short play and a city-wide Easter Egg hunt. Students were judged in the regional competition by a panel of businessmen and educators. Judging criteria included the creativity and innovativeness of the project; utilization of available resources; the involvement of the local business community; and the overall success in planning and implementing the program. Students involved in the project were Paul Ewing (Saratoga Springs), Dan Gosselin (Stanstead, Que.), Louis Haskell (Stillwater), Richard Moson (Haverstraw) and Al Tahan (Whitesboro).

"The business and economics department is very proud of this group of students," said Dr. Prem Gandhi, chairperson of the business/economics department. "It is refreshing to see young people supporting our economic system and making positive contributions in analyzing it rather than criticizing it, irrationally."

NINE MEMBERS JOIN FOUNDATION'S PRESIDENT'S CLUB; TOTAL NOW AT 38

The Plattsburgh College Foundation's President's Club was honored by President and Mrs. Burke at a reception at the President's Home on Sunday evening. The President's Club, a distinguished circle of individuals and businesses who contribute at least \$500 a year to the Foundation for student scholarships, grew by nine members in 1978. New members receiving plaques were: Mrs. Ruth Ayres, the Champlain Valley Builders' Exchange, Roger Forrance, Brett Heiss, Mr. and Mrs. James E. Hutchinson, the Marriott Corporation, Dr. and Mrs. Edward E. Redcay, State Sen. Ronald B. Stafford and Radio Station WIRY. In addition, 29 individuals or businesses received 1978 date tabs at the reception indicating that they had renewed their memberships in the President's Club.

DR. DOH TO PUBLISH MODERN EDITION OF 17TH CENTURY ELIZABETHAN PLAY

Dr. Herman Doh, professor of English and a long-time researcher of original Elizabethan plays, has been contracted by Garland Publishing, Inc., of New York, to publish his critical edition of a 17th century play by Thomas Heywood entitled, "Fortune by Land and Sea." The text will appear in the company's critical edition series of Renaissance Plays. Doh's scholarly interests in reinterpreting Elizabethan works deals in bibliographical evidence, techniques for analyses of how 16th and 17th century books were printed by considering the habits of individual typesetters and how they dealt with punctuation, spelling and problems in format. According to Doh, arbitrary editorial changes by Elizabethan print shops often changed the understanding of many passages written during the time of Shakespeare and his contemporaries. Heywood was recognized as one of England's most prolific playwrights during Shakespeare's time and may have had a hand in writing nearly 200 plays. Doh's first rewrite of Heywood's original text of the play was done while working on his doctorate at the University of Pennsylvania. His revised and updated edition of "Fortune by Land and Sea," for Garland Publishing will be the only printed modern edition of the play.

LONG ISLAND NATIVE ELECTED SA EXECUTIVE VICE PRESIDENT

Ted Heidrich, a senior accounting major from Woodmere, was elected to the SA executive vice president post, effective September 1. Heidrich was one of six students who ran in a special student election on Tuesday to find a successor for the present executive vice president Kevin Stewart. Stewart will replace Sarah Connair, who announced her resignation as SA president, effective the fall semester. Heidrich will serve in the vice president's post until December 31.

TAC STAFFERS, AREA BANKER TO PARTICIPATE IN SUNY-WIDE CONTINUING EDUCATION CONFERENCE

Two members of the Technical Assistance Center staff and an area bank vice president will be presenters at a State University-wide conference in Albany directed by the SUNY Office of Alternative and Continuing Education. Tom Williamson, director of TAC, Steve Rubin, a TAC student intern, and Curtis Shipman, vice president of Marine Midland Bank in Plattsburgh, will participate in a May 9-11 Albany conference entitled "Service to Business, Industry and Labor: The Role of Continuing Education." An estimated 200 participants representing all areas of business, industry and education have been invited to attend the conference, which is an important part of SUNY's public service effort. The representatives from Plattsburgh State will present a program entitled: "Providing Access to the Free Enterprise System."

5:30 pm — Quantity Foods bids you Au Revoir, a French meal. Menu includes soupe a l'oignon, stuffed veal, delicious French bread. Tickets: public \$4.95, students \$4.70, children under 12 \$4.20. Tickets at College Center Desk. ERDC Cafeteria.

7:30 pm — Russian Series presents Nancy Concoe "The Soviet Literary Establishment." Cardinal Lounge College Center.

NOTES

Continuing Art Exhibitions

Until May 6 — Exhibition of **Photographs by Roger Martin**. Rockwell Kent Gallery.

Until May 11 — May Day drawings, prints and paintings by **Kathleen Lancius and Glenn Shultz**. Myers Lobby.

Until May 14 — Exhibition of Drawings, Prints, Ceramics, Photography and Sculpture by **Bruce, Sue, and Dennis**. Feinberg outside Kent Gallery.

The Library will be open extended hours, to 11:30 pm, on May 11 & 12. The Late Night Study Room on the first level of the Library is open until 1 am every night.

The College Center has tickets on sale for \$2.50 for the 2 pm performance of "Weeds" on May 5 at the **Centaur Theatre**, Montreal.

If you have been a recipient of either a **National Direct Student Loan** or a **Federal Nursing Loan** while a student and are graduating in May, then you must come to the Accounting Office, Room 710 of the Kehoe Bldg. to fill out an exit interview form. This will take approximately five minutes of your time and repayment and obligations will be explained to you.

The Institute of International Education today announced that the official opening of the 1980-81 competition for grants for graduate study or research abroad in academic fields and for professional training in the creative and performing arts is scheduled for May 1, 1979. It is expected that approximately 500 awards to 50 countries will be available for the 1980-81 academic year. Information available in Dean, Faculty of Arts and Science Office, Hudson hall 101.

Campus Cable 4 schedule of hours: Monday through Thursday 3 pm and 7 pm and Friday at 3 pm. All programming approximately 30 minutes. Programming for May 3: Counseling; Quarter Hour News; Equality Under Law; Discipline; Different Ways of Learning. May 4: Counseling; Quarter Hour News; Budgeting. May 7: Counseling; Quarter Hour News; Justice Under Law. May 8: Counseling; Quarter Hour News; Justice Under Law. May 9: Counseling; Quarter Hour News; Intro. to Studio Facilities; Goal Setting; Evaluation.

State University of New York College of Arts and Science at Plattsburgh is an Equal Employment Opportunity Affirmative Action Employer.

MORLOCK, TRUAX RECEIVE SUNY CHANCELLOR'S AWARDS FOR EXCELLENCE

Dr. Henry Morlock, professor of psychology, and David Truax, director of admissions, are among 71 State University teaching faculty, librarians and non-teaching professionals who are 1979 recipients of the Chancellor's Excellence Awards program. Begun in 1973, the award program provides a one-time \$500 grant to SUNY staff members for job-related achievement. A SUNY-wide advisory committee in each of the three categories reviews nominations from the University's 64 campuses and make recommendations to Chancellor Clifton R. Wharton, Jr., who makes the final selections and confers the awards.

Morlock, a faculty member since 1965, presently teaches courses in general, comparative and developmental psychology, and laboratory courses in research methods and conditioning and reinforcement. He is a former recipient of a SUNY Research Award and has recently co-edited a published reference on turtles entitled: "Turtles: Perspectives and Research." He has conducted research related to sleep and attention in man at Walter Reed Hospital, Washington, D.C., and has also done investigative research in the area of the structure and function of the central nervous system in reptiles.

Morlock

Truax

Truax was one of 24 SUNY non-teaching professionals to receive the Chancellor's Award and the College's first NTP to be recognized in the program's seven-year history.

A member of the College's admissions staff since 1965, Truax was promoted to the directorship in 1973. Truax is immediate past president of the State University of New York College Admissions Personnel (SUNYCAP) organization and a past member of the Council for College Level Services. He holds a position on the National College Entrance Examination Board, and last year he chaired the search committee for vice president for student affairs.

"Both recipients truly deserve the honor bestowed upon them by Chancellor Wharton," commented President Burke. "Hank Morlock exemplifies the type of teacher and scholar that any institution of higher learning anywhere would be proud to reward for service. And Dave Truax, who has primary responsibility for not only meeting annual enrollment quotas against seemingly formidable odds, but also that for improving the quality of our student body, has proven that the combination of hard work and dedication pays handsome dividends."

RIBBON-CUTTING CEREMONIES SLATED FOR GRAND OPENING OF 'ALL-NEW' COLLEGE BOOKSTORE

The all-new and completely renovated College Bookstore will open its doors officially on Monday, May 11 at 11 a.m. in ribbon cutting ceremonies to be presided over by President Joseph C. Burke. According to George Layman, bookstore manager, the store has been completely modified for efficiency and display. Included in the renovation is an expanded merchandise sales department that will offer shoppers a wider variety of trade books, textbooks and school supplies. The store has also expanded its checkout system for speedier service during the annual fall and spring semester book rushes. The bookstore's new entrance will enable shoppers to enter from the south end of the building (opposite Macomb Hall).

"We've upgraded the assortment of merchandise and spread it out, giving the shopper a much nicer presentation," explained Layman. Greeting cards, drugs, cosmetics, and jewelry will be available, along with subscriptions to specialty publications for classroom use.

Layman expects increased sales from the renovation and said prices will remain competitive. "We're going to bring about the atmosphere that an efficient bookstore should have," Layman said. "This will be a terrific asset to the College."

DR. EDWARD REDCAY TO CHAIR COLLEGE'S 1979 ALUMNI FUND DRIVE

Dr. Edward E. Redcay, former Dean of the College and Acting President from 1952-54, has been selected to chair this year's Alumni Fund Drive by the College Foundation's Executive Committee and the Alumni Office. The Honorary Plattsburgh State Alumnus (1969) and former recipient of the College's Distinguished Service Award, was the unanimous choice to head this year's annual fund drive as part of the Foundation's overall effort to raise money for student scholarships. In the Foundation's nine year-history, alumni have contributed more than \$115,000 to the organization's program of annual giving.

"We are fortunate indeed to have an individual of Doc Redcay's stature leading the 1979 alumni fund campaign," said Adrian "Bill" Wood, '39, president of the College's Alumni Association. "If alumni are as generous with their gifts as Doc has been in giving himself to so many students in the past 40 years, this year's drive will be a resounding success. No man or woman better exemplifies the spirit of Plattsburgh and the traditions its graduates cherish than the dynamic and loyal Doc Redcay."

Redcay first joined the College's faculty in 1937 as basketball coach, Dean of Men and Professor of Education. During his tenure, he also served as Chairman of the Education Department, Director of Education and Coordinator of Programs for Talented and Honor Students. Presently, Redcay serves as academic counselor for undergraduates in general studies and part-time students in continuing education.

ADMISSIONS DEPOSITS PAID BY 1,567 NEW STUDENTS; FRESHMAN APPLICATIONS UP NEARLY 4 PER CENT

According to the latest report available from the College admissions office, a total of 1,567 prospective new students (1112 freshmen and 453 transfers) have paid admissions deposits indicating their intent to enroll at Plattsburgh State this coming fall. The 1,567 figure includes re-admitted and foreign students. David Truax, director of admissions, said the total figure represents 81 per cent of the admissions office's projected 1979 fall enrollment goal. The May 4th report shows that, although applications from prospective freshmen have increased by nearly four per cent in comparison with similar data from last spring, applications from transfer students are down by approximately 12 per cent. The latter figure, Truax noted, reflects an overall decline being felt at all four-year SUNY units. "I think our admissions outlook is good despite the fewer number of transfer student applications," he said. "We are looking at about a 0.2 per cent drop in applications over last year's record rate."

DR. PETER GORE MEMBER OF SUNY-WIDE STEERING COMMITTEE ON TRANSPORTATION

Dr. Peter Gore, assistant professor of environmental science and a rural transportation specialist, has been appointed as the College's representative to a SUNY-wide steering committee to initiate a program which will make faculty resources of the State University available to citizens and local government leaders who wish to conduct transportation research in their areas.

The committee is presently developing guidelines which will list all SUNY personnel having expertise in different aspects of transportation, as well as the types of research that can be conducted on a local level. "By using the directory, local persons can contact knowledgeable SUNY people in that area to aid them in their research," explained Gore. In addition, the directory will be submitted as reference material to federal funding agencies in hopes of making transportation research finances more available.

Gore also reports that as a result of his 1978 rural transportation research grant, cost-effective routes have been established in Clinton County to facilitate commuter van pooling to major employers and human service agencies in the area. Presently, the routes are awaiting State approval.

SABBATICS AND LEAVES FOR '79-'80 GRANTED TO 24 FACULTY

Twenty-four faculty members have been granted sabbatic leaves and leaves of absence for all or part of the 1979-80 academic year. On sabbatic leave for the entire year will be: William Crosby (Art), Dr. Philip De Vita (Anthropology), Dr. Alan Frank (Music), Dr. Anton Jachim (Political Science), Dr. Daniel Lee (Biology), Dr. Calvin Veltman (Sociology), and Dr. Robert Withington (Economics). On sabbatic leave for the fall semester will be Dr. Richard Beach (Geography), Dr. John H. Hunt (Education), Dr. Tseh Yuan Li (Physics), and Dr. John L. Myers (History). On sabbatic leave for the spring semester will be Dr. Donald Bogucki (Geography), Dr. Ernest Coons (Physical Education), Dr. Herman Doh (English), Dr. Martin Hasting (History), Dr. Eloise Law (Home Economics), Dr. Tony Poveda (Sociology), Dr. Arnold Rheingold (Chemistry) and Dr. Noel Smith (Psychology).

Full year leaves of absence have been granted to Janet Alexander (Nursing), Dr. Thomas Henriksen (History), Dr. Young Jang (Economics) and Fred Woodward (Dean's Office of Professional and General Studies). A leave of absence for the fall semester was granted to Dr. Eleanor Stoller (Sociology).

IT'S OFFICIAL: CAMPUS ROOM RATES TO INCREASE BY \$50

Although students on campus who have registered for residence hall housing next semester have been charged \$750 per year (\$375) a semester, the State University Board of Trustees' recent decision to increase room rates by \$25 a semester will mean the extra charge will be added prior to the start of the fall term. Ms. Carol Allen, assistant director for residence life, explained that the room rate increase will be reflected in a new bill to sent by the Bursar's Office to students' home addresses in late July or early August.

THIS WEEK ON CAMPUS

THURSDAY, MAY 10

1:15 pm — Canadian Studies Center presents Dr. Marc Boucher, Quebec Studies Head at University of Maine (Orono) speaking on "The Quebec Referendum." Open to all. Hawkins 159

5:30 pm — Quantity Foods bids you Au Revoir with a French Meal: onion soup and braised stuffed veal in wine sauce. Public \$4.95, students \$4.70, children \$4.20 (tickets at College Center Desk). ERDC Cafetorium.

7:30 pm — Russian Series presents Nancy Condee "The Soviet Literary Establishment." Cardinal Lounge, College Center.

8 pm — Lecture and Discussion on Environmental Psychology by Dr. Myra Schiff, Environmental Psychology Consultant in Toronto. College Center Ballroom B.

FRIDAY, MAY 11

9 am — Nursing and Continuing Education present a Basic Communications Skills Workshop. Students \$4.00, public \$14. College Center Music Lounge.

Campus Cable 4 schedule of hours: Monday through Thursday 3 pm and 7 pm and Friday at 3 pm. All programming approximately 30 minutes. Programming for May 10: Counseling; Quarter Hour News; Introduction to Studio Facilities. May 11: Counseling; Quarter Hour News; Budgeting. May 14: Counseling; Quarter Hour News; Budgeting; A 15-Year Perspective on the Oil Crisis. May 15: Counseling; Quarter Hour News; Buying; Day in Life of Customs Officer; A 15-Year Perspective on the Oil Crisis. May 16: Counseling; Buying; Faith Development; Moral Development.

The Alumni Association, the Student Life Office and the Student Association are hosting a Farewell Cocktail Hour for Graduating Seniors, their parents and the Faculty, in the College Center Courtyard from 3-5 pm on Saturday, May 19. Tickets for the party will be included with seniors' commencement tickets which will be distributed from the College Center Desk from Wednesday, May 17 to Saturday, May 19. Semi-formal attire is requested.

The Upward Bound Program will be starting a reading program for its students this summer. In order to build up a stock of books, we will be sponsoring a **Book Drive** the week of May 14th-18th. Any comics, magazines, paperbacks or hard-covered books that you wish to donate and that you feel would be appropriate for adolescents, would be greatly appreciated! Drop centers will be located in the Student Center (between the front doors) and at Algonquin and Clinton Dining halls (near the registers).

916 TO RECEIVE DEGREES AT COLLEGE'S 89TH COMMENCEMENT

A graduating class of 916 students will receive degrees at Sunday's 89th annual spring commencement exercises at the College Field House. The ceremony will begin promptly at 1:30 p.m. U.S. Senator Daniel Patrick Moynihan (D-NY) will deliver the principal address and will join the ranks of prominent statesmen, educators and benefactors of the institution who have received the College's prestigious Distinguished Service Award (DSA).

President Joseph C. Burke will preside at commencement and confer degrees. Candidates for degrees will be presented by Dr. Jerome Supple, vice president for academic affairs. College Council Chairperson Mrs. Judith L. Duken will award diplomas.

Eligible to receive degrees during the ceremony will be 392 candidates for the Bachelor of Arts, 467 candidates for the Bachelor of Science, 24 for the Master of Arts, 26 for the Master of Science in Education, and seven candidates for the Certificate of Advanced Study.

Immediately following the ceremony, the Plattsburgh Alumni Association will host a reception for graduates and their guests in the Field House ice arena.

17 TO GRADUATE SUMMA CUM LAUDE

Seventeen of the 916 students who will graduate at the College's commencement exercises on Sunday will receive their diplomas summa cum laude (with highest honors). They are among 139 students who will be recognized for outstanding academic achievement. To graduate summa cum laude, a student's four-year cumulative grade point average must be 3.9 out of a possible 4.0.

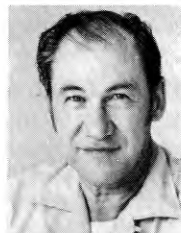

The seventeen summa cum laude recipients, their major fields of study and hometowns are: Carl W. Armstrong, anthropology, Plattsburgh; Raymond Audette, management, Plattsburgh; Jeri Lynne Docteur Brayen, accounting, Clayton; JoAnn Brogle, accounting, Commack; Kathleen Burnell, nursing, Cadyville; Nancy Chrapkiewicz, chemistry, Elizabethtown; Margaret Corcoran, secondary education, Massena; Beverly Docteur, management, Peru; Barbara Fitzgibbons, medical technology, Silver Creek; Neil Giffen, environmental science, Miller Place; Denise Paige, secondary education French, Gouverneur; Candace Ray, psychology, Troy; Catherine Sickler, elementary education, Syracuse; Linda Stein, special education, New Hartford; Emery Trahan, accounting, Rouses Point; Mary Walters, special education, Groton; and Sue Zillioux, medical technology, Utica.

THREE RETIRING FACULTY MEMBERS TO BE HONORED BY COLLEGE COUNCIL

The College Council will honor retiring faculty members Drs. Maurice Camp and Esther Westendorf, professors of education, and Dr. Raymond Peterson, associate professor of psychology, for their 58 years of combined service to the College during the May 20 commencement luncheon.

Camp began teaching at Plattsburgh State in 1948 and has taught graduate courses in school administration, supervision and media. Also, he has been responsible for the education department's audio-visual competency testing program. Westendorf was appointed to the College faculty in 1967 and has taught undergraduate as well as graduate courses in reading instruction. She is past president of the

New York State Reading Association and state coordinator for the International Reading Association. Peterson, a former Michigan school administrator for nearly 20 years, joined the College's faculty in 1964. He has taught both undergraduate and graduate courses in cognitive, educational and differential psychology.

CLASS OF '57 GRADUATE NAMED 'ALUMNUS OF THE YEAR' FOR 1979

Dr. Edward C. McGuire, chancellor of the Board of Higher Education of the Commonwealth of Massachusetts, has been named to receive the College's "Alumnus of the Year" Award during Homecoming Weekend '79 ceremonies on October 20. McGuire, who assumed his current position last August, graduated from Plattsburgh State in 1957 with the bachelor of science degree in elementary education. In addition to his role as chancellor, which includes administrative responsibility to the governor and the legislature for analysis and submission of the budgets of all state-supported community colleges, state colleges and universities in Massachusetts, McGuire teaches courses and conducts seminars in public policy as an associate in education at the Harvard University Graduate School of Education.

McGuire formerly served as commissioner of higher education for the Commonwealth of Pennsylvania, with principal responsibility for a system of 14 state institutions enrolling 80,000 students; as vice president for student affairs and professor of psychology at Drexel University; as dean of students and associate professor of psychology at Rutgers University; and as assistant to the president of Rhode Island University. He holds the M.S. degree from Southern Illinois University (1959); the Ed.D. from Wayne State University (1968) and the J.D. degree from Delaware Law School (1978). McGuire was selected to receive the Alumni Association's highest award by a screening committee composed of alumni. Informed Monday of the Committee's decision, McGuire said he was both "delighted and flattered" to be chosen to receive the distinction, and that he looks forward to participating in 1979 Homecoming activities.

DR. BURKE SELECTED TO TWO-YEAR TERM ON SUNY COUNCIL OF PRESIDENTS

President Joseph C. Burke has been selected as one of two Arts and Science College representatives to the State University Council of Presidents. Burke, who previously served on the Council from 1974-76, was selected along with Dr. Virginia Radley, president of Oswego State University College, to a two-year term. Burke and Radley will join Dr. Dallas Beal, Fredonia; and Dr. Michael Hammond, Purchase; as SUNY Arts and Science College representatives on the 16-person board. The Council of Presidents serves as an advisory group to Chancellor Clifton R. Wharton, Jr., on SUNY-wide policy, and as a liaison committee for SUNY presidents and various constituencies.

AWARD-WINNING ALUMNI LEADERSHIP CONFERENCE TO BE REPEATED JUNE 1-2

Fifty Plattsburgh alumni from throughout New York State will arrive on campus June 1 for the College's Second Alumni Leadership Conference. Sponsored initially two years ago by the Plattsburgh Alumni Association, the two-day conference's success earned the association the State University of New York Alumni Confederation 1977 Project Award. Malcolm Lavery, alumni director, pointed out that the conference is a means for developing a stronger base of support for the College among its key alumni. Participants from the 1977 conference, asked to evaluate the program at its conclusion, agreed unanimously that it had succeeded in meeting its goal of informing them, educating them and stimulating them to serve as a nucleus of advocates for the College in key areas of the state.

The conference is comprised of an intensive schedule of meetings with representatives of the academic, student affairs and financial divisions of the College administration. The alumni leaders will be briefed on academic programs, student services, the College budget, placement, admissions and the College Foundation's development program. Among those scheduled to address the alumni are College President Joseph C. Burke, Vice Presidents Jerome Supple, Eldridge Roark and Bernard Seawell, Admissions Director David Truax, and College Foundation Executive Director Don Garratt. Alumni attending the conference will also have the opportunity to confer with Deans and faculty representatives.

COMMITTEE SAYS 'GO' FOR IMPLEMENTATION OF GENERAL EDUCATION PROGRAM THIS FALL

Dr. Jerome Supple, vice president for academic affairs and chairperson of the General Education committee, has announced that a sufficient number of courses have been reviewed and accepted by the 17-member faculty committee to allow for implementation of the program for new freshmen this fall. Supple explained that, after careful screening, the committee is confident that "an adequate number of courses in the advanced learning skills component of the program will be made available by the July freshmen summer orientation program." The committee has been meeting all spring to begin implementation of the College's new GE program passed by the Faculty Senate on February 13. The ten-hour freshmen learning skills component that will be readied by summer orientation will consist of three hours of written expression, three hours of communication skills, three hours of analytical skills and one hour of library skills.

DR. PHILIP REINES RE-ELECTED PRESIDENT OF PLATTSBURGH U.U.P.

Dr. Philip Reines, associate professor of communications, has been re-elected President of the Plattsburgh Chapter of the United University Professions for the 1979-80 academic year. The other officers and members of the local Executive Board for the coming year will be Academic Vice President Dr. John L. Meyer (communications); Vice President for Professionals Tom Corigliano (academic affairs); Secretary Stanley Wojtowicz (financial aids office); Treasurer Dr. Raymond Doyle (foreign languages and literature); and Grievance Chairperson Dr. Douglas Skopp (history). Academic delegates to the UUP Assembly will be Dr. Raney Ellis (psychology); Anne Mitchell (library); and Dr. Edward Schaffer (sociology). As vice president for professionals, Corigliano will also serve as NTP delegate to the Assembly. UUP is the official bargaining agent for the more than 15,000 faculty and staff employed by State University.

COLLEGE SSP DIRECTOR INVITED TO SEVERAL NATIONAL CONFERENCES

Dr. James Garafalo, director of the College's federally funded two-year special services project (SSP), has been invited this spring to present several papers and workshops at national conferences focusing on education for the non-traditional college student. Last month, Garafalo conducted presentations on staff training and development of post-secondary education programs designed for the non-traditional student at professional conferences in Pennsylvania and Puerto Rico. Using the College's Educational Opportunity and SSP programs as examples, Garafalo has also conducted similar workshops and presentations at a workshop at Brockport State and at the International Reading Association's Annual Conference in Atlanta, GA. He was recently selected to chair the Constitution Committee of the College Learning Specialists Association, and he will make a presentation at a multi-cultural conference at the University of Wisconsin-Milwaukee dealing with minority education.

FIRST SUNY-WIDE ACADEMIC ADVISING SEMINAR TO BE HELD AT COLLEGE, MAY 23-25

The State University's first attempt to create interaction and the sharing of information among professionals in the area of academic advisement will take place when the College hosts an academic advising seminar, May 23-25, at the Valcour Educational Conference Center. Representatives from State University's Central Office and the ten established four-year SUNY Arts and Science Colleges will participate. Thomas Corigliano, coordinator of the College's academic advisement program and seminar organizer, said that areas to be discussed by participants will include campus academic advising centers, freshman advisement, organization, and staff training and development.

SUMMER SESSION REGISTRATION UNDERWAY; CLASSES BEGIN JULY 2

Registration is underway now for more than 150 courses and special workshops to be offered during the 1979 Summer Session. Registration continues up until the first day of classes on July 2 for the six-week regular session. For more information on the College's summer programs, contact the Registrar's Office at 564-2100.

FINAL ISSUE OF WEEKLY

With this issue, WEEKLY concludes its seventh year of publication. The editors extend best wishes to the readership for a safe and enjoyable summer.
